

## WOMAN'S RIGHT IN TEXAS TO HOLD AN OFFICE HELD LEGAL

**Ancient Bar Against Woman In Office Is  
Swept Away By Texas Supreme Court—  
Issue Raised By Nomination of Woman for  
Office of Governor—Features of Decision**

AUSTIN, Texas, Oct. 18. (AP)—The last vestige of ancient bar against women in office was swept away by the Texas supreme court today in holding Mrs. Miriam Ferguson of Temple and all other women in the state eligible to elective positions.

Attempts to bring out of the dim past and establish as present day law the fragments of an old order were cast out by the highest court of the state which pronounced women as independent entities on an equality with men.

While holding that Mrs. Ferguson is qualified to vote, the court also held unconstitutional that part of the statute which seeks to confer on a private citizen the right to bring suit testing the qualifications of a candidate for governor.

This right belongs to the legislature, the court said.

The plaintiff, Charles M. Dixon, of San Antonio, has 15 days in which to file a motion for rehear-

## NOMINATION DAY IN ENGLAND HAS SOME SURPRISES

**Effort Seen To Force  
Numerous Triangu-  
lar Contests**

LONDON, Oct. 18. (AP)—Nomination day for the October 22 elections brought no great number of surprises, although there were many unexpected nominations and withdrawals, mostly by the labor party with the object of embarrassing labor's opponents as much as possible by forcing triangular contests to its own advantage.

It was impossible tonight to obtain a reliable analysis of the nominations to show the position concerning triangular contests which will be numerous, will be fewer than at the last elections.

**Part Not Popular**

The part between the conservatives and liberals to exclude labor is not altogether popular in the liberal press, where it is realized that the withdrawal of liberal candidates will throw considerable liberal votes on the labor side because the Liberals who are strong for free trade still suspect that former Premier Baldwin and his party, if returned to power, may try to get protective duties by "back door" methods.

## ECHOES OF OIL SCANDAL AGAIN REVERBERATING

**Evidence Sought In  
Canada Of Liberty  
Bond Deals**

CHEVENE, Wyo., Oct. 18.—The long arm of the United States government stretched again today into Canada in search of evidence of the alleged passage of liberty bonds between Harry P. Sinclair, oil operator and Albert B. Fall, former secretary of the interior.

In authorizing a commission of two persons to examine and take depositions from seven persons in Toronto who are said to have knowledge of the alleged transactions, Federal Judge T. Black Kennedy complied with the request of government counsel in the suit to annul the Teapot Dome lease made to the Mammoth Oil company, a Sinclair subsidiary, for its assistance in gathering evidence for the case, which comes to trial here in January.

The showing made before Judge Kennedy today in support of application for the commission sets forth that it is expected the testimony of the witnesses named will disclose definitely passage between Sinclair and Fall of certain liberty bonds.

## SEPARATE TRIAL IS ASKED BY WOMAN ON JOINT INDICTMENT

**Charges Former Minister  
Will Testify Against  
Her**

MOUNT VERNON, Ill., Oct. 18. (AP)—That the man for whom she professed love is now the "willing tool" of the prosecution which aims to convict her and Lawrence H. Hight, former Ill. Illinois minister, of conspiracy to poison their respective spouses is the charge made by Mrs. Elsie Sweeten in a motion filed in the Jefferson county circuit court here today.

The motion asks that the two be tried separately, the joint indictment charging her and the former governor with murder and further charges that Hight plans to give direct evidence against her in the trial on the joint charge.

In the affidavit which will be sworn to by Judge J. C. C. when the case is taken up in court next Wednesday, Mrs. Sweeten declares Hight will give evidence ostensibly on his own behalf but in fact against this defendant, all with the expectation of gaining favor with the officers of the state and receiving immunity of leniency in consideration of such conduct.

The affidavit states that Hight, then a Methodist clergyman was tried by a select number of Methodist clergymen, after his arrest and at that trial made a confession, implicating her in the murder of Wilford Sweeten, her husband and Mrs. Anna Hight, wife of the former minister.

## FOREIGN INFLUENCES GIVE WHEAT A BOOST

**Disciples Of Christ To Peti-  
tion Congress to  
Act.**

CHICAGO, Oct. 18. (AP)—Anxiety over the crop outlook in Argentina has joined with renewed foreign buying in this country and given wheat prices a lift this week to the highest point yet reached for the December delivery. Compared with a week ago, wheat this morning showed 3 1/2 cents to 5 1/2 cents up, while corn was 2 5/8 cents to 3 7/8 cents down, and oats 2 1/4 cents to 1 1/8 cents off. In provisions, the net changes varied from 5 cents decline to a rise of 32 cents.

Advocates of wheat, drought, frost and unseasonable cold in Argentina and predicting that the Argentine wheat crop would be 25 percent smaller than last year went hand in hand with export purchasing of U. S. and Canadian wheat that rapidly mounted up into many million bushels.

Disquieting estimates of enlarged requirements for breadstuffs in Italy and France were given particular notice in connection with the remarkably sustained buying of wheat for Europe. Reports also that new crop Canadian wheat was grading unusually low, were likewise subject of a good deal of comment.

Sharp breaks in the price of corn resulted from selling based largely on an opinion from a conservative trade authority that summer weather in September and October had achieved the seemingly impossible and that contrary to recent somewhat general belief, the great bulk of the corn crop would mature. It was freely predicted also that the next government report would show a decided increase of the official estimate of corn production.

A big decrease in stocks of larid hoisted provisions.

## ADmiral DIES

London, Oct. 18.—Admiral Sir Percy Scott 72, noted naval authority, is dead. He was the inventor of kind signalling apparatus now used in the royal navy and of various appliances for improving the firing of heavy guns.

## WEATHER

Chicago and vicinity: Mostly fair Sunday and Monday, but with some cloudiness; cooler by or before Sunday night; gentle to moderate shifting winds.

Illinois and Indiana: Mostly fair Sunday and Monday; cooler or Sunday or Sunday night in extreme north portion.

Wisconsin: Mostly fair Sunday and Monday; cooler Sunday in south portion.

Upper Michigan: Fair Sunday and Monday; not much change in temperature.

Missouri: Mostly fair Sunday and Monday; cooler Monday in north portion.

Iowa: Mostly fair Sunday and Monday, but with some cloudiness; cooler Sunday or Sunday night.

Temperatures		
The current maximum and minimum temperatures as recorded Saturday were:		
Jacksonville, Ill.	73	86 54
Boston	58	60 38
Buffalo	58	58 42
New York	62	64 46
Jacksonville, Fla.	72	74 68
New Orleans	74	82 68
Chicago	74	80 57
Detroit	66	70 46
Omaha	76	84 62
Minneapolis	70	74 60
Helen	56	64 42
San Francisco	66	72 54
Winnipeg	52	66 34
Cincinnati	70	80 48

## WALSH PLANS TO SHOW THREE HUGE FUNDS BEING RAISED

**CHICAGO, Oct. 18. (AP)—**by Joseph R. Grundy, a yarn manufacturer of Bristol, Pa., and chairman of the ways and means to a thorough going investigation of charges of Senator Robert M. LaFollette that a huge slush fund is being raised for the campaign of Coolidge-Dawes ticket were presented today to that body by Frank P. Walsh of Kansas City, counsel for the independent presidential candidate.

In submitting a batch of correspondence on other data upon which the charges are based, at least in part, Mr. Walsh said he would undertake to show that three funds were being collected in the United States, "one by the national committee, the regular fund; one a fund created by the bankers of the United States and taken care of by them and the other by the manufacturers and business men."

Walsh told the committee that Senator LaFollette had told him over the long distance telephone that he had underestimated the amount of the "slush fund" that was being raised to carry this election, when he said that he thought it would be four or five million dollars.

**Runs Into Millions**

"From the investigation which we have attempted to make, a very hasty one indeed," LaFollette's counsel added, "we think we have found that the fund is not two million dollars as he put it, but is very likely to reach twelve million dollars."

To support the conclusion that three separate funds are being raised, Walsh presented letters written by George W. Simmons, a vice-president of the Merchants and Metals National bank of New York City, appealing to other bankers, irrespective of party, to contribute to a fund to help the independent national ticket.

Walsh also put into evidence a letter of similar import sent to its members of the Manufacturers' club of Philadelphia.

"Senator LaFollette has been advised," Walsh said in this connection, "that a meeting of the National Bankers' convention in Chicago a few days ago a speech was made requesting that all trust companies be requested to give one-twentieth of one percent of their capital as contributions to the independent national ticket."

Edward T. Stotterbury, now chairman of the committee to collect the money.

Besides these letters, Walsh produced a series of four written

## FORD CONSIDERS MUSCLE SHOALS DEAL AS ENDED

**Says Ford Company  
Will Not Reopen  
Negotiations**

BETROIT, Mich., Oct. 18.—Henry Ford considers the Muscle Shoals controversy closed. In a statement today he declared that under no circumstances would the Ford company reopen negotiations for the property despite the hope expressed in various quarters that future proposals would be considered.

He blamed Wall Street for the opposition which resulted in the withdrawal of the offer for the property.

"Wall street," Mr. Ford said, "does not care to have the power trust's stranglehold broken. If we had obtained Muscle Shoals we quickly would have exposed the present profiteering and greatly reduced the cost of power."

Mr. Ford continued that no big business could afford the delay necessary in dealing with the government and that "it is too hard to find the government and you can't do business with people you do not know and can't find."

"Wall street," Mr. Ford continued, "is progressive and possibly indispensable. It disposes of the antiquated and obsolete. It will kill the railroads and in killing off the antiquated and obsolete it does a service for an industry that cannot withstand such squeezing as Wall street may give it had better let it run tear down a thing the thing is better torn down."

## DAVIS GIVES VIEW ON NEXT CONGRESS IN SATURDAY TALK

**Sees no Possibility of Election This Year of  
Republican Congress—Offers Panacea for  
Country's Ills—Claims it is Not a Matter  
of Partisanship—Must Assert Selves**

ST. LOUIS, Mo., Oct. 18.—In a period of a government acting in harmony, in uniformity and in union. There is but one party today that stands before the American people harmonious and undivided. There is but one party that marches in settled ranks and military order and that party is, beyond peradventure, the Democracy.

**Personal Desire**

Mr. Davis expressed the hope that if a Democrat was elected to the presidency he would be given a Democratic senate and house. "And," he continued, "it is not a matter of pure partisanship, for all experiences prove in this country that our government can only function well when one and the same political party is in control at both ends of Pennsylvania avenue."

"No single man or woman in this country is potent or strong enough, standing alone and unaided, to fix the course or conduct of this government. We must assert ourselves into party groups."

## LAFOLLETTE RESTS PREPARATORY TO A CAMPAIGN IN EAST

**Changes Mind With Regard  
To Proposed Western  
Trip**

SIOUX FALLS, S. D., Oct. 18. (AP)—Determined to devote the last two weeks of the campaign to a swing thru midwestern and eastern states, instead of making a trip to the Pacific Coast, Senator Robert M. LaFollette, Independent presidential candidate, has changed his mind and will not make a speaking tour in the west tonight, as scheduled.

For tonight, instead of his scheduled trip to Omaha, Neb., where he will deliver a speech Monday night, he will remain in Sioux Falls, S. D., where he had planned, under a decision announced today, to address in Rock Island, Ill., Wednesday night and Peoria, Ill., Wednesday night. The remainder of the itinerary was not made public but it was said the Wisconsin senator would deliver at least one speech a day during the final two weeks of the campaign.

Tentative arrangements have been made for him to again invade Ohio, New York, Pennsylvania and probably Michigan and to address at least one meeting in New England, in all probability in Boston.

**Finish at Cleveland**

Definite decision has been reached to have Mr. LaFollette wind up his campaign two weeks from tonight in Cleveland, in the auditorium where the recent national convention was held and where his supporters in convention on July 4 were informed by the senator that he would be an independent presidential candidate.

Mr. LaFollette made known his decision to forego an invasion of Pacific Coast states in a telegram to Senator Wheeler of Montana, his running mate who is eastward bound from a swing thru the northwest, west coast states and the southwest. In his message, the Wisconsin senator said he believed the east is the high ground and expressed the opinion that the situation in the west so far as the independent ticket is concerned is in satisfactory shape.

**Senator Resting**

With an opportunity to rest today, Senator LaFollette spent most of the day about his private car in a railroad yard near the auditorium where he spoke last night. He will travel to Omaha via Sioux City, Iowa, and Manilla, Iowa, remaining in Manilla tomorrow night and continuing his journey into Omaha on Monday.

Chicago, Oct. 18.—Senator Robert M. LaFollette, of Wisconsin, Independent candidate for the presidency will carry his campaign into Illinois again next week, speaking at Rock Island October 21 and at Peoria the next day.

The engagements were announced today by LaFollette's national headquarters here.

Senator LaFollette will continue his way eastward from Illinois speaking day and election day, according to plans announced today.

## YORKTOWN HOLDS CELEBRATION OF HISTORIC EVENT

**Commemorates Final  
Surrender Of British  
Army There**

YORKTOWN, Va., Oct. 18. (AP)—With a quiet dignity that did not lack impressive pomp, Yorktown today celebrated the event that had made her glorious the final surrender of the British army that brought the seven years' revolution to a close and gave freedom to the colonies.

One hundred and forty-three years to a day Lord Cornwallis, the English commander hemmed in Yorktown by superior forces of Americans and French on land and the French fleet off shore made his last desperate stand. The next day he delivered his sword to General George Washington.

Today thru the streets of the picturesque town, thousands, forming a long line of parade from the wharves on River York, moved toward America's real birth place.

First came the military detachments of soldiers, sailors and marines, three martial bands measuring the step as the column proceeded. Then, the citizenry, including many notables joined in the patriotic parade.

## MOLINE MAN HEADS ILLINOIS REALTORS

GALESBURG, Ill., Oct. 18.—George Ross, Moline, was chosen president of the Illinois Realtors association at the closing session of the convention here. Vice-presidents elected include:

R. V. Field, Galesburg; Ralph Skillen, Oak Park; S. R. Hughes, Champaign; Charles E. Jackson, Rockford; D. L. Morgan, East St. Louis; Harry Topping, Kankakee; C. A. Aba, Cairo; H. V. Hill, Mount Vernon; R. C. Miller, Rock Island and J. A. Morton, Springfield.

Frederick M. Babcock, Chicago was re-elected secretary and treasurer; Harry A. Shay, Chicago, executive secretary; John L. Vette, Chicago, general counsel.

## YOUNG WOMEN TAKE TICKET SALE HONORS

CHICAGO, Ill., Oct. 18.—Young women carried off all the honors in the ticket-selling contest of the Illinois Products Exposition when awards were announced today. Touring cars were awarded to Misses Marion Wilford and Irene Burton of Chicago, who had approximately 76,000 votes each. Each ticket carried ten votes.

Diamond rings were awarded to the next highest as follows: Miss Gladys Arbuckle of Joliet, Ruth Bronckhorst of Waukegan, LaVerne Hand of Chicago, Ida H. Kollman of Chicago, Dorothy T. Tiedholm of Chicago, Savannah Abbe, of Des Plaines, Cecyl Epstein of Chicago and Gertrude Elben of Chicago.

## WANT LAW CHANGED AFFECTING COMING OF JAPS TO U. S.

**Disciples Of Christ To Peti-  
tion Congress to  
Act.**

CLEVELAND, O., Oct. 18. (AP)—The international convention of the Disciples of Christ at its closing business session here today voted to petition the congress of the United States to revise the immigration laws so as to admit Japanese on an equal footing with other aliens.

Final action of the convention's attitude toward war was taken when a proposed amendment to a resolution adopted earlier in the week was tabled.

Amendment proposed that the right of the conscientious objectors be recognized. The next convention will be held in Oklahoma City, late in October, 1925.

J. H. Golden of Cleveland was elected president.

## SHENANDOAH SAFELY MOORED NEAR TACOMA

TACOMA, Wash., Oct. 18. (AP)—Securely tied to the mooring mast on the Camp Lewis reservation ten miles south of here, the huge navy dirigible, Shenandoah, was swaying lightly tonight in a gentle breeze. Safe and apparently unharmed after her long battle with the elements which hindered her progress on the first trans-continental flight from Lakehurst, N. J., to Camp Lewis, Wash., the ship was being refueled and groomed during the night, preparatory to the start of the return trip, scheduled for 9 o'clock tomorrow morning. Just as dusk fell this evening the air cruiser returned to Camp Lewis, after cruising since 8 o'clock this morning over Tacoma, Olympia, and other cities in the vicinity.

At 6:35 p. m. the chilling night air had sufficiently cooled her helium gas supply so that she settled slowly to earth and a line was dropped to the waiting ground crew. Powerful winches drew the engine house took up the slack and the Shenandoah was drawn slowly to a secure fastening.

## MOB GATHERS AND ATTACKS PERSONS AT KLAN MEETING

**Was Occasion of New Eng-  
land Sessions Of The  
Klansmen**

WORCESTER, Mass., Oct. 18. (AP)—A mob of 500 in the business center of the city early this (Sunday) stoned automobiles and beat up members of the Ku Klux Klan who had been attending a gathering of the organization here.

Many automobiles, marked as machines returning from the fair grounds by the crowd of 500 gathered at the corner were stoned, several men were assaulted, one woman was injured and two arrests were made.

One victim of the crowd was dragged from his machine and severely beaten by a mob of young men.

One automobile was partially wrecked and many others were damaged.

**10,000 Klansmen Gather**

More than a thousand members and sympathizers of the Ku Klux Klan came here from all parts of New England today for a great gathering which lasted from morning until late into the night.

Early in the evening excitement spread thru the crowd inside the enclosure, when a speaker announced that a plane, engaged by the Klan for the day, had been forced to descend as a result of a shot which punctured the fuselage and crippled the engine.

The plane earlier had been seen to descend in an abrupt spiral.

Interviewed tonight, the aviator said he had been forced down by an accumulation of dirt in the engine. A hole discovered in the hood, had been there for some time, he said.

Repairs were made, and later in the night the machine flew over the city with red lanterns displayed in the form of a cross.

## RAILWAY ARTILLERY GUARD FOR WEST

Los Angeles, Oct. 18.—War department plans are afoot for the stationing at Los Angeles of a train of railway artillery of sufficient range and effectiveness to guarantee the entire coast of Southern California against any possible invasion by sea, according to Major George Ruhlert Jr., commanding the coast defenses at Fort McArthur.

## Social and Club Events

### CLUBS

The South Side Circle will meet with Mrs. G. R. Bradley on Monday afternoon at 2:30 o'clock. Mrs. W. L. Robertson will be in charge of the program.

The Ladies Aid Society of State Street church will meet Thursday with an all day meeting at the South Entrance of Grace Church. Ladies please note place of meeting.

The Woman's Home Missionary Society of Grace Church will meet Tuesday Oct. 21, at 6 o'clock at the church. An interesting program of songs and music has been arranged to follow the luncheon.

The East Side Tuesday club will meet Friday afternoon at 2:30 with Mrs. G. R. Bradley at her home, 1539 Mound avenue.

The Ladies West Side Art Club will meet Friday afternoon at 2:30 with Mrs. F. S. Muse.

The Chautauque Musical club will meet Monday afternoon at the home of Mrs. Charles Hopper, 761 North Diamond street at 2:30 o'clock. A miscellaneous program will be given, and will include a number of new songs and piano pieces.

Thursday Five Hundred Club to Meet  
The Thursday Five Hundred club will meet Thursday evening at the K of C hall on East Side.

From the large assortment of men's hats ranging in price from \$3.00 up any man can secure the style, and size at FRANK BYRNS Hat Store.

street. Misses Rose Wagner and Miss Loneragan will be the hostesses on this occasion.

**Hold Business Meeting**  
The Abyssinian Church Fire of the Brooklyn M. E. church will hold an important business meeting Monday night, at the home of the guardian, Miss Una Chappell, 1258 South East street. All the members are urged to be present.

**B. and P. Women's Club Add New Members**  
Eleven new members were added to the membership list of the Business and Professional Women's club, and were introduced at the meeting of the club last Thursday night. They are: Miss Henrietta Sator, Miss Helen Thompson, Miss Helen Black, Miss Esther Fisher, Miss Florence Schoed, Miss Lillian Carter, Miss Jenny Crawford, Miss Ella Herman, Miss Ruby Baxter, Miss Helen Scott, and Miss Ethel Floyd.

**I. W. C. French Club Elects Officers**  
The Language clubs of the I. W. C. French club are organizing for the coming year's work. At a meeting Thursday night, the French club discussed plans for the coming year, under the direction of the faculty sponsor, Miss Beatrice Towner, and elected officers as follows:  
President—Louise Owens  
Vice-president—Edith Gillespie  
Secretary—Lucille De Selm.

### NOTICE

The regular meeting of the Advisory Board of the Rev. James Caldwell Chapter, D. A. R. will be held on Tuesday afternoon, Oct. 21st, at 2 o'clock, at the Chapter House.

**Reporter—Christine Cotner.**  
The Spanish club will hold an organization meeting on Tuesday night, to complete an election of officers. Miss Martha Logan has been appointed to the presidency.

**Mrs. Young Will Entertain History Class**  
The History class will be entertained at the home of Mrs. W. B. Young, on Mound avenue, Wednesday afternoon, with Mrs. E. P. Brockhouse as leader and Mrs. Chester Humphill, Mrs. Paul Thompson and Mrs. W. B. Brown, assistants.

**Assisted Luncheon in Springfield**  
Mrs. John J. Reeve was a guest in Springfield yesterday, when she attended a courtesy luncheon, in honor of the Springfield clubs, given by Mrs. George Thomas Palmer, State Federation president. During the afternoon, a program which included short talks on "The best work carried on by the different clubs reported at the luncheon," was given.

### CHURCHES

**Cradle Roll Party at Congregational Church**  
The women who are enrolled in the cradle roll department of the Congregational church, together with their mothers, were given a party at the church, Friday afternoon by Miss Emma Daniels, the superintendent of the department. There were twenty-five present and the occasion proved a very happy one for both the children and their mothers.

The early afternoon was spent in the church parlors, where arrangements had been made to amuse the children with toys and games. Later they went to the primary room, where tables had been arranged in a most attractive way for the serving of refreshments. Ice cream was served in rosette cups and there were favors of white card board cradles hand painted, and filled with bonbons. Altogether it was a very pleasant affair.

The Catholic Ladies Aid Society will not meet Wednesday afternoon owing to the pancake supper which is to be served Wednesday evening.

**Enjoy Wiener Roast**  
A party of young people from the Baptist church were entertained with a wiener roast Friday night at the Collins farm west of the city. Those attending were Misses Ruth Fuller, Helen Eastman, Helen Bergstrom, Ruth Eastman, Ethel Stewart and Leon Stewart. Byron Stewart, Gale Jackson and John Stewart.

**Hostess to Members of W. E. M. Society**  
The Woman's Foreign Missionary society of the Ebenezer church was entertained Friday afternoon at the home of Mrs. Emma Cully, who was assisted as hostess by Miss Elsie Cully, Mrs. Walker Henderson and Mrs. Ben Cully. A large attendance of members were present, enjoying a program which included an opening song.

**FURNITURE AT AUCTION**  
Wednesday, Oct. 22, commencing at 1:30 sharp, 1012 South Clay Avenue, furniture, household and kitchen furniture, first class condition.  
RAYMOND LINN.

## Menus for a Family

**Breakfast**—Sliced peaches, ready to serve cereal, cream, minced lamb on toast, orange marmalade, graham toast, milk, coffee.

**Luncheon**—Minute tomatoes au gratin, hearts of celery, peanut butter sandwiches, herring, milk, coffee.

**Dinner**—Halibut steak in tomato sauce, scalloped potatoes, breaded cabbage salad whole wheat, bread and butter, apple sauce, chocolate cake, milk, coffee.  
When small children must eat at the family table, some member of the family must be firm unless the menus are planned for children alone. These menus are planned to provide the food a child should have and also satisfy adult tastes. While a child under eleven years cannot have chocolate cake, he may have apple sauce and so share in the family dessert.

He may have some of the fish but should not be given the sauce. The potatoes, a little of the salad without dressing, whole wheat bread and butter and milk to drink furnish a good meal for a child and with the sauces please grown-up tastes.

The minced lamb uses up the remains of the lamb stew of yesterday's dinner. Season the finely chopped meat with butter, salt and pepper and add enough water to make moist. Make very hot and serve on hot buttered toast.

The Congregational Ladies Aid will have their regular monthly business meeting at the church next Tuesday.

The Queen Esther society of the church will meet Tuesday evening at the home of Catherine Wetzel, 931 South East street. Miss Marceline Cowgour will be assistant hostess, Dorothea Wordell will be the leader.

The Wednesday class will meet with Mrs. Walter Ayers.

The Monday conversation club will meet Monday afternoon at 2:30 with Mrs. F. H. Rowe at the Cloverleaf building.

**Records Smashed by Big Film Spectacle**  
"The Birth of a Nation" Comes Here Just as Produced Recently in New York  
In bringing D. W. Griffith's American institution, "The Birth of a Nation," to the Rialto Theater for a limited engagement of five days the management takes great pleasure in announcing that the famous spectacle will be offered here exactly as when it scored its initial triumph in this city.

The record comes in the wake of its great success in New York City, and at the Auditorium in Chicago which seats over 5,000 people, it ran for the longest time a screen production was ever booked in that house and to the greatest receipts ever known for any screen production in that theater for a given week.

This record is the most astonishing as "The Birth of a Nation" was revived deliberately at a time when four other screen successes were in the very height of their respective runs but none, not excepting Griffith's masterpiece, "Way Down East" ever played a week anywhere to any such figures.

It was an unqualified success in every particular and will be presented here as it was on this occasion with the stirring original score, the effective stage arrangements, the most wonderful cast ever assembled in a motion picture production and with every attention to detail calculated to make it as appealing as ever.

The story needs no retelling, but those memorable battle scenes, the mighty figures of history as Lincoln, Grant, Lee and others of the prominent leaders who played their parts in writing the history of the nation when the being welded into a mighty union can never be forgotten or lose their marvelous appeal.

Dr. P. H. Griggs and wife left Saturday night for a two days' visit with Dr. Griggs' parents in Kewanee, Ill.

The ladies of Westminster Church will hold a Rummage sale, Thursday, Oct. 23 at 9 o'clock at Andre & Andre wareroom on East Court street.

Oyster supper Mound School, Wednesday evening, Oct. 22. Good program.—Mildred Ragan, teacher.

## MATRIMONY

**Fitzpatrick-Johnson**  
At 7 o'clock Saturday evening, Frank L. Fitzpatrick and Miss Hattie Johnson, were united in marriage at the Rectory of the Church of Our Savior, Rev. Father Hodge officiating.

The couple were attended by Edward Fitzpatrick and Miss Marie Fitzpatrick cousins of the groom.  
The bride wore a beautiful gown of green tulle, with beaded trimmings and lace. Her hair was styled in waves. James Johnson of 1414 Mound avenue, and a young lady of many beautiful traits of character, and by her pleasing manner has won many friends.  
The groom is the son of Mr. and Mrs. Thomas Fitzpatrick of 1323 South Clay avenue, and a young man of industrious habits and for the past three years has held a position at the factory of the New Method Book Industry.  
After the ceremony the bride and groom were at Chicago Mr. and Mrs. Fitzpatrick will be at home to their friends at 505 Sandusky street.

**Treuter-Dover**  
Russell Treuter and Miss Helen Dover, both of Virginia were united in marriage yesterday afternoon by Justice J. A. Crum, at his office on West State street, at 2:30 o'clock. The ceremony was witnessed by J. W. Jackson and Mrs. Sada Crowder.  
The groom is a farmer and the couple will reside on a farm near Virginia.

**Day-Jackson**  
The marriage of Clarence Earl Day to Miss Sada Gladys Jackson, both of Jacksonville, was solemnized yesterday afternoon at 3 o'clock by Justice A. B. Opperman at his office on West State street the impressive ring ceremony being used.  
The bride wore a gown of white tulle and lace. The couple will reside on Fayette street.

**Cade-Ford**  
The marriage of Ralph Cade with Miss Cecile Ford of Patterson, was solemnized recently in St. Louis. The bride is well known here having held a position in the city as stenographer in the office of the Cloverleaf Life & Casualty company.  
She is a daughter of Mr. and Mrs. William Ford of Patterson, and Mr. Cade is the son of Mr. and Mrs. Thomas Cade. He now holds a responsible position in the postal post section of the mail service in St. Louis.

**Jackson-Holt**  
The marriage of Miss Dorothy Holt and Earl Jackson, both of this city, was solemnized at eight o'clock last night at the home of the bride's parents, Mr. and Mrs. Arthur Holt, 451 Lorton street. The ceremony was performed by Rev. J. W. Kirk in the presence of a limited number of relatives and friends of the young people.  
The bride and groom were attended by Miss Dorothy Carter and Orville Jackson, brother of the groom.  
The young people were the recipients of a number of very acceptable gifts, attesting the esteem in which they are held by their friends. They will reside at 505 South Sandy street.

**Powell-Newby**  
The marriage of Miss Althea M. Newby of this city and J. H. Powell, of St. Louis, was solemnized at six o'clock this morning at the First Baptist church, with the Rev. A. P. Howells officiating.  
The ceremony was witnessed by only the immediate relatives of the bride. After a short wedding trip, the couple will live in St. Louis where the groom is in business.

**Meadows-Toler**  
Talbert Meadows and Miss Bonnie Toler were married last evening at the home of the bride's parents, Mr. and Mrs. Frank Toler near Arnold station. The groom is the son of Mr. and Mrs. Charles Meadows of Alexander and the young people will make their home on a farm near that place.

## FUNERALS

Funeral services for Mrs. Louis A. Steer were held yesterday morning at the Church of Our Savior, Kentucky street, at 10 o'clock, high mass being celebrated by the Very Rev. F. P. Forman. The high esteem in which Mrs. Steer was held was manifest by the large number of beautiful floral offerings. The tributes were cared for by Frank W. Jepson and Misses Mary and Ellen Jepson and Grace Dailey.  
The bearers were Edward Cox, Charles Cruse, Glen Large, Fred Kumble, Henry Rustmeyer and Joseph Sheehan. Interment was in Calvary cemetery.

**DECATUR MEETING**  
H. C. White, John Sibert and Jewell Scott went to Decatur yesterday to assist in the installation of a new D. O. K. temple lodge men from all sections of the state are taking part in the ceremonies.

**NOTICE**  
My office will be closed all day Monday owing to absence from city.  
P. H. GRIGGS, Chiropractor.

## ON SUNDAY MOVIES

The last of the ballots to be counted in the chamber of commerce referendum on the Sunday movie question were received late yesterday afternoon at the C. of C. headquarters. It was stated when the card ballots were sent out that in order to be counted the votes must be returned by six o'clock p. m. Saturday.

The result of the vote will be reported as soon as the official count is made.  
About two years ago the question of Sunday movies was brought to the council's attention in the form of a petition and at that time it was agreed to submit the question at an election. This action was taken in opposition to the opening of the movie houses. There was some preliminary discussion of the subject but there was not an organized effort to get out the vote.

Services for the dead will be held this afternoon at 2:30 o'clock at the Salem Lutheran church, conducted by Rev. Mr. Schukel of St. Louis. All deaf are invited.

## SPECIAL

Just 100 sets and but one to a customer. You are invited to inspect our line of fine diamonds and jewelry.  
EDWARD D. HEINL, Prop.  
Diamond Shop.

## SCIENCE CLUB MEETS

The Social Domestic Science club was entertained Friday afternoon at the home of Mr. H. B. Davis on Richards street. At an election the following officers were named:  
President—Mrs. M. Banks  
Vice-president—Mrs. M. Jones  
Second vice-president—Mrs. N. J. Blue  
Secretary—Mrs. P. Moore  
Treasurer—Mrs. M. B. Davis  
Chairman—Mrs. Hogan  
Organist—Mrs. C. Taylor  
Journalist—Mrs. N. Robinson  
Refreshments were served.

## REV. H. A. KECK AT CENTENARY

All that heard Dr. H. A. Keck D. D. of Champaign speak at the E. L. Institute will be delighted to know that he is to be here again Monday night. He comes to speak at the Jacksonville District Ministers and Stewards meeting of the M. E. Church.

The District program calls for providing for the finances for both the local church and the benevolence in October that the pastors and laymen may give large attention to evangelism during the rest of the year. In harmony with this program Dr. Keck will speak from the theme, "The Evangelism of Jesus."

## DEMOCRATIC SPEAKING

at Monument Park, Winchester, Tuesday, October 21, at 2:30 p. m. Hon Henry T. Rainey and other prominent speakers will give addresses. A dance will be given at the pavilion in the evening, with music furnished by Allen's orchestra of Pittsburg.

# Illinois Wins Great Homecoming Game 39-14

## Cheering Throng Sees Wolverines Defeated At Memorial Stadium

### THRILLING RECORD OF "RED" GRANGE

ILLINOIS STADIUM, URBANA, Ill., Oct. 18. (AP) The record of Harold "Red" Grange, sensational 22-year-old Illinois half back, perhaps the outstanding gridiron star in American football, in today's Michigan-Illinois game.

Scored five touchdowns, four in less than 12 minutes of play. Broke away for successive runs of 94, 65, 55 and 45 yards for touchdowns.

Scored on the ball on the very first kickoff and raced 59 yards, dodging thru Michigan's tackle line for a touchdown.

Carried the ball in twenty-one plays and gained the astounding distance of 627 yards.

Flowed most of Illinois' territorial passes and also held the ball for Illinois in the point-of-attack situations.

Grange was unanimously chosen the "Red" of American football.

Illinois' first touchdown, a 59-yard dash, was the first of a remarkable exhibition of running, dodging and passing seen on gridiron in years. An inspiring throng of the dumbfound spectators screaming with excitement.

While the teams were lined up, Grange, who had been a favorite of the experts had predicted a one-sided victory, even if predictions were not upset, as so often happens in football.

Michigan has defeated Illinois more times than the latter has been able to win against the Wolverines, most of Illinois' victories coming in the last few years, while no game was played between the two universities last year.

Individually, Grange scored five of Illinois' six touchdowns in a manner that left no doubt as to his ability to break thru the most perfect defense. He furnished one thrill and then another. On the very first kickoff, Grange scooped the ball bounding toward him on the Illinois 5-yard line and raced 90 yards thru the befuddled Michigan eleven for a touchdown in less than 10 seconds after the starting whistle blew.

Before the Michigan team could recover from its shock, the sensational Grange had scored three more touchdowns in rapid succession, running 65, 55 and 45 yards respectively for his next three scores.

Coach Zuppke took him out of the lineup before the first quarter ended. He returned later to leave several successful passes and score a fifth touchdown in the last half.

Michigan, dumfounded by the catastrophe unleashed a reign of forward passes, in an attempt to recoup but most of them grounded before the receiver was covered by the Illinois defense. Michigan was unable to stage a sustained rally and the Illinois lead was never in danger. This was largely due to the failure of the Wolverines to intercept their passes, six of the twelve heaves being rounded and intercepted.

Michigan's last successful pass, scored for a total of 14 yards, was intercepted by Illinois' center, who was covered by the Illinois defense.

Illinois completed 10 passes for a total of 70 yards, including five touchdowns.

Illinois' experts agree that his performance was among the greatest ever seen on an American gridiron.

Running thru a labyrinth of intercepting and tackling, he crossed the field twice to gain the open on his first play.

Pettit made the point after touchdown.

On the second kickoff Grange scooped the ball and raced 10 yards before he was downed. Illinois had the ball on downs but recovered by the same method on the 27-yard line. While the crowd was still breathless from

## TIGERS WIN OVER NAVY BY STAGING GREAT COMEBACK

### Victory Made Possible By Sam Ewing Of Philadelphia

PRINCETON, Oct. 18. (AP) The talented toe of a young Princeton substitute, Sammy Ewing, of Philadelphia, who was rushed into an eleventh hour emergency, hoisted a field goal and produced the three points that gave the Tigers a sensational 17 to 14 victory over the navy today. Ewing's kick was the climax of a spectacular comeback which Princeton staged in the final quarter to overcome a lead which the sailors had held stubbornly for three quarters of the game. It was a perfectly executed drop kick from the 18 yard line and clinched the battle for the Tigers, who with only a few minutes left to play easily thwarted the Navy's final assault and even threatened to add to their total on the high tide of the closing offensive.

Ewing's pinch kick broke the deadlock that had been brought about by a series of punts and a field goal by the Navy. Princeton's comeback was a masterpiece of teamwork and individual playing. The Tigers, who had been outplayed for three quarters, suddenly found their offensive. The Navy's defense, which had been holding the Tigers to a total of 14 points, was unable to stop the comeback.

For Macomb, Gilchrist was the star. He alone could gain against the Tigers with any degree of consistency. He was a fast man but never had a chance to break loose. Curless at fullback was an outstanding player. Sowers was a strong man in the Macomb line-up, both on offense and defense. Captain Bailey at center was a good all around man. Smith at tackle also was good on defense.

The Tigers failed to score in the first quarter but made a touchdown in each of the three remaining periods. Macomb held them on their five yard line. In the second quarter, following a 35 yard run by Clark from his 10 yard line, the Tigers marched down and across the Macomb line without losing the ball.

The bright spot in the Macomb offense came in the first quarter when Curless gained 60 yards for his team by receiving a pass. Macomb, however, was unable to follow up this advantage.

Sellers kicked off for the Tigers, the ball going over the goal line and brought back to the 20 yard line. Gilchrist ran the end for five yards. Two more plays lost ground for Macomb. Macomb punted, Crabbe and Clark made four and three yards respectively. Rose fumbled the ball but recovered for a first down. Clark made a wide run for a 12 yard gain. The Macomb defense stiffened and held the Tigers on their five yard line for three downs. On the fourth down Rose attempted a pass but the ball hit the goal post and was given to Macomb on the 20 yard line. Gilchrist ran end for six yards. Sowers tried the same but made only a yard. Gilchrist added two yards. Sowers made a short punt out of bounds on his own 45 yard line. Three attempts netted the Tigers six yards and on the fourth down they punted to the 25 yard line. Macomb's first attempt failed to gain. On the second down a pass, Sowers to Curless gained

## School For Deaf Is Victor Over Macomb

The Illinois School for the Deaf defeated Macomb 21 to 0 yesterday afternoon on the Illinois field. By virtue of this victory the Tiger state remains clean, having won four games without being scored on.

Previous to this game the Macomb high school team had not had its goal crossed. Macomb had a team that was heavier than the average high school team with some steps in the back field. But the Tigers with their superior team work and individual playing were able to crush the defense of Macomb and stop their offense.

Rose and Clark ran true to form by making repeated long gains. Crabbe played an unusually good game, plunging the line frequently for long gains. He made two of the three touchdowns made by his team. Clark made the other. Sellers, besides playing a good game at center, never missed a try for goal after touchdowns. The whole Tiger line was a stone wall. The Macomb team, although fighting desperately, could not gain consistently.

For Macomb, Gilchrist was the star. He alone could gain against the Tigers with any degree of consistency. He was a fast man but never had a chance to break loose. Curless at fullback was an outstanding player. Sowers was a strong man in the Macomb line-up, both on offense and defense. Captain Bailey at center was a good all around man. Smith at tackle also was good on defense.

The Tigers failed to score in the first quarter but made a touchdown in each of the three remaining periods. Macomb held them on their five yard line. In the second quarter, following a 35 yard run by Clark from his 10 yard line, the Tigers marched down and across the Macomb line without losing the ball.

The bright spot in the Macomb offense came in the first quarter when Curless gained 60 yards for his team by receiving a pass. Macomb, however, was unable to follow up this advantage.

Sellers kicked off for the Tigers, the ball going over the goal line and brought back to the 20 yard line. Gilchrist ran the end for five yards. Two more plays lost ground for Macomb. The Macomb defense stiffened and held the Tigers on their five yard line for three downs. On the fourth down Rose attempted a pass but the ball hit the goal post and was given to Macomb on the 20 yard line. Gilchrist ran end for six yards. Sowers tried the same but made only a yard. Gilchrist added two yards. Sowers made a short punt out of bounds on his own 45 yard line. Three attempts netted the Tigers six yards and on the fourth down they punted to the 25 yard line. Macomb's first attempt failed to gain. On the second down a pass, Sowers to Curless gained

## NOTRE DAME WINS IN DAZZLING WAY OVER ARMY ELEVEN

### Score is 13 to 7—50,000 Witness School's Victory.

NEW YORK, Oct. 18. (AP) The brilliant Notre Dame backfield dazzled the Army line today and romped away with a 13 to 7 victory in one of the hardest fought of the intercollegiate series between the two teams. More than 50,000 people saw the game at the Polo Grounds.

Army kept the visitors kicking in the first quarter and came out of the ruck in the final period to score its only touchdown. In the second and third quarters the field was a parade ground for Notre Dame's blue jerseys with army looking on.

Harry Wilson, former Penn State star, accounted for three of the army first downs. Harding substituted quarterback ran 14 yards on a trick play which scored the Notre Dame end in the final period. The rest of the Army attack was loaded.

Captain Adam Walsh, Notre Dame center, was the outstanding lineman of the combat. He went into the game with a bandaged hand and was laid cold twice, but continued as a constant thorn to the Army. Layden played thru a hole cut by Walsh for the first touchdown. In the final period when Army spirits soared in a strong attack which followed their touchdown, Walsh broke up the rally by intercepting a pass.

Line play inside the tackles was good on both sides. Army's attack centered within this zone, was almost completely stopped. Farwick loomed in the end line play and recovered a fumble in Notre Dame's territory.

Army's Pos. Notre Dame's Pos. Left end Collins Left tackle Gilbreath Right tackle Giffith Center Hanoverk Edinger Right guard Galsch (C) Walsh (C) Saunders Right end E. Miller Frazer Quarterback Eaton Wilmons Stubbler Left halfback Gilmore Crowley Wilson Right halfback Miller Wonds Fullback Layden

## Routt High Victors Over Palmyra High In Strenuous Game

Gohert, P. Cooney, Sweeney and R. Cooney proved to be too strong a combination for the Palmyra lads to stop yesterday when the Routt high eleven met the Macopin school at Palmyra, and the Routt team came away victorious by a score of 18 to 6. The game was bitterly contested by the two teams, the first half ending 6 to 6. However, the Jacksonville youths with a series of passes in the third, made a second touchdown and in the last quarter Gohert carried the ball over for a fourth touchdown.

The Palmyra lads proved to be one of the strongest eleven which the local team has looked forward with this season, and the lads spoke very highly of the gentlemanly manner in which they were treated by their opponents.

The first touchdown was made in the first quarter after Sweeney, P. Cooney, R. Cooney and Gohert had carried the ball down the field on runs and line plunges and Gohert went over for a touchdown. In the same quarter Palmyra scored their only touchdown after Cooney made a hand pass to Sweeney who made a beautiful run the entire length of the field and went over for a touchdown. Both teams had to kick goal and the game ended 6 to 6.

In the second quarter the teams scored back and forth across the field, neither squad being able to score and the half ended 6 to 6.

In the third quarter the Routt team opened up with a series of passes, taking the ball to the 5 yard line, and Gohert went over for a touchdown.

Summary:

Routt	Pos	Palmyra
Left end	Neese	
Left tackle	Tucker	
Sely	Left guard	
Costello	Center	Sorenson
Clary	Right guard	Shearburn
Foulks	Right tackle	Reddy
Henry	Right end	Young
Metzger	Quarterback	G. Staples
Gohert	Fullback	Converse
R. Cooney	Left halfback	Cooper
Sweeney	Right halfback	
Palmyra	Pos	
D. Cooney	Left end	Mayes
Substitutions—Ryan for Ashbaker, O'Brien for Foulks		
Score by quarters:		
Routt	6 0 6 6 18	
Palmyra	0 0 0 6 6	

## SUCCESSIVE DEFEATS THE LOT OF EPINARD

LAUREL, Md., Oct. 18. (AP) The French champion hurdler suffered his fourth successive defeat in a many states in this country when he was vanquished in the Stages. Laurel stakes today by F. A. Burton's Wise Counselor, winner of the first of the international specials at Belmont Park last September. Epinard finished a badly beaten fifth in a field of seven. He was ridden by Clarence Kummer.

After the race Eugene Leigh, Epinard's trainer said that the French champion suffered a split quarter and would be retired for the remainder of the season.

Wise Counselor led from the fall of the flag to the finish over the mile route in 1:28 2-5.

Wise Counselor was a length and a half in front of the Glen Riddle Farm's Big Blaze, which in turn was two lengths in front of Gifford A. Cochran's Sun Flare. Harry Payne Whitney's Initiative was fourth.

Trainer Leigh said that he would ship Epinard to New York and from there to France as it would be impossible to run him any more this season.

## INDEES WILL MEET WAVERLY TODAY

Third Game of Series Will be Played This Afternoon at Waverly.

The third and deciding game of the Waverly-Jacksonville game will be played this afternoon, on the Waverly diamond, at 2:30 o'clock.

It is understood that the Waverly lineup will have a number of new faces in it today and Manager Christopher of the Indies has also announced that some changes will be made in his lineup to make the game one worth while. Both teams are out to give the best they have to win the game, as each has a victory and a defeat to its credit.

Christopher has announced that he has such well known stars as Frank Fernandez, Ritor Dunham and Carl Neighbors of Springfield and Paul Neighbors of Virden, who will play for the Indies team.

The probable lineup for the Indies will be: Fernandez, second base; Christopher, catcher; P. Neighbors, center field; Boyd, short stop; C. Neighbors, first base; Dunham, third base; Ruble, right field; DeFrate, left field; Lowder, pitcher.

The Waverly battery will be Oros, Gene and Elliott.

## CHILWEE MAKES A AMERICAN RECORD

LATONIA, Ky., Oct. 18. (AP) "Maxing" his record-breaking performances during the last 12 days, Chilwee, Kentucky bred son of Ballot and winner of the 1924 Latonia Derby, established a new American record today when he won the Latonia champion stakes, a mile and three quarter event for three year olds, in 2:54 3-5, clipping one second from his previous record.

In the race preceding, Zev, the Rancocas stable star and greatest record for a mile in running the distance in 1:36 2-5. The old record was 1:36 3-5.

Chilwee brought to his owners \$25,935 in winning today's Latonia champion stakes in addition to a handsome trophy offered by the Kentucky Jockey Club.

## ROODHOUSE HIGH WINS FROM WHITE HALL

Roodhouse, Oct. 18. — The Roodhouse high school football eleven, defeated the White Hall high school squad at White Hall this afternoon by the score of 19 to 7. The game was card fought thruout.

### MACOMB MAN, INJURED NEAR HERE, MAY DIE

Visitor Who Attended Game Here Yesterday Sustains Fracture of Bone in Neck When Car is Wrecked Near Litchberry.

Harry Zerkle, 32, a resident of Macomb, is lying in a critical condition in Passavant hospital as the result of injuries received when a car in which he was riding struck a telephone pole and plunged over an embankment a mile west of Litchberry about five o'clock yesterday evening. Zerkle suffered a fracture of one of the vertebrae in his neck and is partially paralyzed. Hopes of his recovery are doubtful.

C. C. Smith, also of Macomb, who was riding with Zerkle, sustained slight cuts about the face and head, but was not seriously injured. The two had been to Jacksonville to attend the game between Macomb and L. S. D. football teams, and were on their way home. They were driving toward Virginia, and driving north, had reached a turn in the road to the east, near the Louis Maul farm. The turn was sharp and the driver was unable to make it around the corner.

The car crashed into a telephone pole, breaking it in several places. However, this impact did not stop the machine, and it went over a fence, and plunged down an embankment, landing a complete wreck. The car cleared the fence except for the top wire, which was broken off.

Passavant extracted the two men from the wreck and Dr. J. M. Wolfe was summoned from Jacksonville. He had the injured men rushed to Passavant hospital where it was found that Zerkle had sustained a fracture of the fifth cervical vertebra in the neck. He was in a semi-conscious condition and partially paralyzed. Smith was able to leave the hospital shortly after his injuries were dressed.

Zerkle is a married man, and his wife has been summoned here from Macomb. She will reach the city sometime today.

### WILL BUILD GARAGE ON WEST MORGAN STREET

A. R. Ziegler Will Soon Let Contract For Garage Building.

Plans have been completed and the contract will soon be awarded for a garage, building which A. R. Ziegler is to have erected at 315 West Morgan street.

The building, which will have a frontage of 60 feet on Morgan street and a depth of 170 feet, will be of fireproof construction throughout and up to date in every respect. The building will be an attractive one with stucco finish, and with large plate glass windows at the front. Steel trusses are to be used to support the roof, thus eliminating all columns.

At the front or north end of the building will be located a shop and well lighted show room. There will also be a room for auto painting. The arrangements will be such that there will be storage space for at least fifty cars.

Mr. Ziegler will continue to handle the Cleveland and Cleveland cars, for which he had had the local agency for some time. The filling station will be located near the curbing at the north end of the building.

The building when completed will be a desirable addition to the business district of the city. The lot on which the new garage is to be built was recently purchased by Mr. Ziegler from Herbert J. Henderson, a former resident of Jacksonville who is now located in Decatur.

See Mrs. W. S. Jones' Adv. on page 4.

**HO! FOLKS!**  
Hasten to Lane's Book Store for a big supply of everything for Hallowe'en.

### CHRISTIAN CHURCH CONSIDERS PROBLEMS

International Body Will Close Sessions in Cleveland Tonight—Nearly 10,000 Delegates Registered.

The International Convention of the Disciples of Christ is in session at Cleveland, Rev. M. L. Parris is among those in attendance. The convention is held in the Auditorium which has a seating capacity of 12,000. Nearly 7,000 delegates from outside Cleveland have registered. Disciples in Cleveland have registered making a total registration of nearly 10,000.

This year marks the Golden Jubilee of the Women's Missionary Society. Their goal was \$1,000,000 to be raised in 1924. The report given Wednesday indicated that they have raised more than \$1,000,000 which will be used to build and equip hospitals and mission stations in the home and foreign field. Among the delegates, one finds representatives of many nations and delegates of nearly every state in the U. S. A. Missionaries from many foreign fields have been instructed to the convention.

The most popular subjects presented are Rural church tasks, the industrial problem, work among negroes, cooperation with other religious bodies, missions, benevolence, peace. The Near East Relief was referred to as a philanthropy but as a great international and interdenominational religious endeavor.

Sunday morning a service will be conducted at the Garfield monument at Lakeview cemetery. Garfield was a minister among the Disciples.

An amplifier carries the voice of the speaker to every portion of the large auditorium. Dr. F. W. Burnham has been selected president of the United Christian Missionary Society. The 1925 convention will probably be held in Oklahoma City.

### MISS FAUGUST WINS POLITENESS AWARD

Millinery Saleslady Is Named Winner in C. of C. Project

Miss Nell Faugust, saleslady of the millinery department of J. Herman company, has been named winner of the Chamber of Commerce politeness award for the week. Miss "Nancy," the politeness champion, found Miss Faugust very pleasant, willing to show and explain the latest in millinery, using every effort to please her customer. True power of suggestion and courteous treatment she proved herself to be a willing and courteous saleslady.

Miss "Nancy" visited many places of business down town and at most of the outlying places of business and was more than pleased with the courteous treatment extended her. Only once was she given a cool reception and she did not tarry long with this young sales person.

The politeness searcher was very much pleased at the different tactics of clear salesmanship demonstrated on every hand by sales people who were well versed on their wares.

Attention is again called to salesladies and salesmen that another \$5 prize will be given the coming week.

### SUPPER COMMITTEE NAMED AT WOODSON

The Willing Workers of Woodson Christian Sunday school are planning a home-made supper for next Wednesday evening and have announced the following committees to have charge of arrangements:

Purchasing committee—Mr. and Mrs. William Fanning and Mr. and Mrs. Russell McAllister. Syrup—Mrs. Amos Harney and Mrs. Percy Devore.

Coffee—Clifford and Hardin Sheppard.

Bread—Mrs. Clarence Henry. Cashier—Mrs. Zella Sheppard. Dining room—Mrs. William Fanning, Misses Eileen Watson, Dorothy Rea and Eva Winters, Mrs. Frank Henry, Mrs. Frank McCurdy, Mrs. Leslie Rawlins, Mrs. Harry Craig, Mrs. Harold Hinchey and Mrs. Clyde Owens. Sausage—Mr. and Mrs. William Ober and Mr. and Mrs. Fred Quimby.

Dishes—Mrs. Clifford Sheppard, Mrs. Russell McAllister and Mrs. Johnson Sheppard. Each member of the class is requested to bring a pie.

Mrs. Clarence York of Jacksonville visited in Woodson yesterday, being a guest at the home of Mr. and Mrs. Edward Gallacher. The Woodson Woman's club will meet Tuesday afternoon at the home of Mrs. Nettie Eard, with Mrs. Jack Steinmetz, Miss Nina Anthony and Mrs. Eard as hostesses.

### VISITS COUSIN

Miss M. Ella Stewart of Providence, R. I., is a guest of her cousin, Mrs. Mabel Gollra, who is spending the winter with Miss Florence Ward on West College avenue.

Patients desiring Spinal Meter Readings, phone or see me for appointment. Readings given mornings, only.

P. H. GRIGGS  
Chiropractor.

### FRED HIGH BOOSTS CITY WITH SLIDES

Collection of Jacksonville Photographs Used in Lecture at Point Marion.

Point Marion, Pa., October 18. A flying machine, carrying a load of special advertising boosting the Greater Community and Better Business Institute, to be conducted by Fred High, of Chicago, and sponsored by the Point Marion Community Club, left Point Marion today, flying round and round in an ever widening circle. It covered a territory of more than twenty-five miles in radius, showing the special advertising agents over towns, villages and farms in a way that attracted great attention and caused an unusual interest in the Institute.

One of the big events of the week will be on Friday evening, October 24, when Mr. High will present his illustrated lecture, "The Soul of Main Street," when a record breaking crowd is expected.

The above is of interest to readers for the reason that Fred High has included in his collection a common number of slides taken from photographs taken in Jacksonville, all of which is good publicity for our community.

Fred High has been having some wonderful audiences lately. He addressed a crowd of 45,000 in Palmer Park, Roseland, Chicago, and 10,000 were assembled for his big day at Paxton, Ill. If the counts, Point Marion ought to come out a winner.

### CHAPIN CLUB MET WITH BLUFFS MEMBER

Household Science Club Held Last Week's Meeting with Mrs. F. Muntman in Bluffs—Other Chapin News.

The Chapin Household Science club met recently at the home of Mrs. F. Muntman in Bluffs. The house was beautifully decorated in keeping with Hallowe'en and roll call was answered by giving a Hallowe'en story. An interesting paper was given by Mrs. D. H. Smith, the title which was "The Origin of Hallowe'en."

Plans were made for the open meeting which will be held at the home of Mrs. Howard Tucker two weeks hence. After a social time of delicious refreshments, were served by the hostess, assisted by Mrs. Chamberlain. Among the guests were Mrs. John Pine, Mrs. Beloit and Mrs. Albert Knoepfel.

### NEWS NOTES

Mrs. Alfred Brockhouse visited her sister, Mrs. E. F. Antrobus, Friday.

Verne Smith is spending the week end in Champaign with his sister, Miss Barbara, who is a senior at the university this year.

John Anderson, who recently made a sale, is moving his household goods to Beardtown and expects to make his future home there.

Mr. and Mrs. Frank Hill of Baylis visited his brother Charles and wife recently.

### WINCHESTER

Winchester, Oct. 18.—Mr. Earl Chavell left Friday for Springfield to enter the Day hospital for treatment. Mr. Chavell will motor to Springfield Sunday.

Mr. and Mrs. Albert Rhodes and daughter, Mrs. Roy Biddell, of Griggsville spent Friday at the home of Mr. and Mrs. William McLaughlin.

Mr. and Mrs. Edward Victory of Jacksonville were visitors here Saturday.

Mr. and Mrs. Rolla Bourn and children of Muskogee, Okla., arrived Saturday for a visit with Mrs. Albert Peak.

Fred Land remains very ill with diphtheria.

Mrs. Fred Warwick and son, Paul of Girard are visiting relatives here.

The members of C. W. Smith's Sunday school class of the Christian church held a bazaar sale in the Markille and Elery store today.

Miss Gertrude Demareth left Thursday for Cleveland, Ohio, where she will attend the International Convention of the Christian church.

Mrs. L. H. Smith returned to her home Saturday in Roadhouse, after a short visit with her sister, Mrs. McLaughlin and family. Many strangers have been visitors here since the opening of the hard road.

### W. C. GETS FLAGS FOR CAMPUS DECORATION

A friend of the Illinois Woman's college has presented that institution with 30 flags and staves, to be used in a uniform system of campus decoration. The flags will be set at various points in the grounds and along the streets surrounding the campus, and will be used in accordance with the plan followed by the local merchants. The flags were purchased thru the local post of American Legion.

### GOING TO CALIFORNIA

Mrs. and Mrs. J. N. Peters of 844 North Church street expect to leave on the noon train today for Oakland, Cal., to visit their son, William H. Peters, and other relatives and friends. They expect to be gone for eight or nine months and will visit other parts of California. On their return they expect to visit for a while in Missoula, Mont.

### BOX SOCIAL

And program, Science Hill school (Pisgah) Wednesday night, Oct. 22, 7:15 p. m. Ladies bring boxes. Everybody invited.

### BAPTIST LADIES' AID IN OPEN MEETING

Pleasant Affair Given Thursday Night at Crum Homestead—Hallowe'en Decorations and Games.

Litchberry, Oct. 18.—The Ladies Aid of the Baptist church met on Thursday night in an open meeting at the Crum homestead. At an early hour a large crowd met and the first thing of importance was the grand march to the basement where an elaborate supper was served cafeteria style. Menu—Park and chicken sandwiches, salads of all kinds, sweet, sour and fruit salad, scalloped oysters, sizzling hot and rich in cream and butter, pickles, sweet and sour, loaf cake, layer cake and angel food, good coffee, with all the trimmings, water from the lemonade well.

The rooms were decorated in keeping with Hallowe'en and there were ghosts and goblins, spoofs, black cats and the industrious old lady with her broom. The evening concluded with a singing of hymns. This lady was accompanied by her daughters who are just as good housekeepers as their mother. A which occupied one room and stirred the caldron of vinegar and herbs where lay the charm of fortune telling; as this witch stirred her kettle of herbs, she told the young people what their future life would be and this was very amusing.

Miss Mildred Underbrink received "Digging a Newspaper." A clothes hanging contest was won by Theodore Thompson.

The supper committee, Mrs. Rexford, Mrs. W. W. Young, Mrs. Burrell, Mrs. Mollie Roach, Mrs. Ous Crum were very busy taking care of the friends and

### ASSESSED VALUE OF PROPERTY IS LOWER

Records in the office of County Clerk George L. Riggs' office show the one-half part of the fair cash value of property, both personal and real as shown by the assessment returns, to be more than \$300,000 less for the year 1924.

This year the total assessed value of enumerated and unenumerated property is \$23,476,482, and the assessment returns for the past year show \$23,749,690. The difference in the values is shown on the records to be in the unenumerated property.

### LITCHBERRY CHURCH HOMECOMING TODAY

A homecoming will be held at the Litchberry Christian church today, beginning with the Sunday school service this morning. During the preaching hour, C. L. Deppew will deliver an address. At noon the members of the church and congregation will sit down to an old-fashioned basket dinner, served in the church basement.

A committee is arranging a strong program of speeches and music for the afternoon, and it is expected that a number of members of the church will participate. Friends and members of the church are cordially invited to attend the homecoming.

### FORMER LOCAL MAN ADMITTED TO BAR

Attorney M. Joseph Donovan, who has been visiting his parents, Mr. and Mrs. Patrick Donovan, 767 South West street, during the past week, was admitted to the Illinois State Bar at Springfield Thursday and attended the banquet of the Bar Association. He has returned to his home in Louisville, Ky., where he is a practicing attorney and member of the Kentucky bar.

### MRS. HENDERSON HAS PASSED 81ST YEAR

Yesterday was the 81st birthday anniversary of Mrs. Amos Henderson, who celebrated the event quietly at her home, 412 East North street. She received a large number of cards and letters of greeting and congratulation from friends and relatives scattered throughout the country.

Berea Fish Fry, Thursday, October 23rd.

### HOLD NEGROES HERE AS THEFT SUSPECTS

Men Who Are Believed to Have Taken Sweater Coat from Alton Freight Conductor at Mason City, Taken From Train by Local Police.

Two colored men who give their names as Walter Ross and Charles Watson, are being held by local police in connection with the theft of a sweater coat belonging to a conductor on a C. and A. freight train sometime yesterday afternoon. The men were taken from the train by police when it reached here about 6:15 o'clock yesterday evening, advice of the theft having been received, with a request to search the train for the suspects.

### LITERBERRY CHURCH HOMECOMING TODAY

A homecoming will be held at the Litchberry Christian church today, beginning with the Sunday school service this morning. During the preaching hour, C. L. Deppew will deliver an address. At noon the members of the church and congregation will sit down to an old-fashioned basket dinner, served in the church basement.

A committee is arranging a strong program of speeches and music for the afternoon, and it is expected that a number of members of the church will participate. Friends and members of the church are cordially invited to attend the homecoming.

## ILLINOIS UNIVERSITY R. O. T. C. IS PRAISED

URBANA, Ill.—Rating the University R. O. T. C. Brigade at 84.17 percent, the "War Department" has classified the University of Illinois as a "distinguished institution" because of the support which the brigade receives from the university and the student body, and the efficiency of instruction, according to an announcement received from the War Department today.

The rating commends the excellent facilities at the University for military training and lauds the active and energetic support given the commandant by the President of the University. The grade on the support of the R. O. T. C. by the institution, based on adequacy of facilities, support of president and faculty, and the number of academic credits given, was 16.75 points out of a possible 20.

The brigade received 13.82

## FACTORY OPERATION IN ILLINOIS STILL CONTINUES TO GROW

Upward Trend Began In  
August Continued Thru  
September

SPRINGFIELD, (AP)—Operations of Illinois factories in September continued on the slight upward trend begun in August, according to figures compiled by R. D. Cahn, of the general advisory board of the Illinois department of labor. Thirty-five of the 56 principal manufacturing industries of the state had more workers in September than in August, this being the largest number of separate industries to record expansion since last February.

Although industry has been increasing generally throughout the state the aggregate growth of factory employment has not been large in the month. Mr. Cahn stated, "the manufacturers' report covering 5 industries and 138 separate plants, showing 275,057 workers in September, an increase of 6 percent over the preceding month. The extent of expansion has been depressed by the figures from several large Chicago plants which were laying off workers quite frequently."

Probably the most significant change during the past 30 days has been in the mines. Six mines resumed operations in September, giving employment to 2,691 workers. There was also steady work for miners than has been the case for some time, the average weekly earnings in Illinois amounting to \$20.74, a gain of 2 percent in the month.

"That earnings have increased more than employment is evidenced by the fact that 1,174 manufacturers paid out \$6,573,712 in wages during the week of September 15, which was an increase of 2.9 percent over the amount paid out by the same firms during the week of August 15. The average weekly earnings for all factory workers during September was \$27.19, compared with \$26.96 in August and \$27.73 in September 1923.

"About 68 percent of the workers in Illinois are employed only part time, and although this is about the same as the August situation, the number of manufacturing plants completely suspended has decreased from 49 to 36.

"Building operations have by no means subsided throughout the state. Although there was no decrease in city whose projects compared with the \$2,000,000 worth of permits issued in Springfield in August, nevertheless permits exceeded \$400,000 for the month.

"Expansion ruled among the industries of the metal machinery and conveyance employees in the fabrication of 280 manufacturers whose aggregate employment is approximately 140,000. Largest gains were among automobile accessory firms, tools and cutlery.

"Operations are improving in the wood industries, led by an expansion of 8.9 percent in the piano factories. In furniture and cabinet work the increase was 4.1 percent, while in household furnishing it was 12.1 percent. Planing mills, which normally would be expected to reduce at this time of year, had 1.6 percent more workers in September than in August.

"Tanneries have expanded during September, 10.5 percent more workers being employed, shoe factories have increased their employees 4.3 percent, while small fur factories, being near the peak of this year's harvest, have taken on about one-quarter more employees.

"Employment rose in four chemical industries.

"Fall trade generally appears to be satisfactory. Retail stores added about 4 percent more employees, and wholesale nearly 9 percent. Reports of the mail-order houses are of expanding business."

## Public Health Bulletin

Published Weekly By Morgan County Health Dept.

Vol. 1 October 18, 1924 Number 28.  
DR. THOMAS A. MANN, Health Officer

### Survival of the Fittest

Yesterday in her address before the Twentieth District Federated Clubs of Illinois, Dr. Lena K. Sadler stressed the importance of prenatal care. She gave timely advice in regard to measures that will insure good physical condition for the child-bearing mother. The following item in the August National Health shows the interest that is being directed in some sections along this line:

"Thas shown that as an investigation has shown that from 2.9 to 10 percent of the women admitted to obstetrical services in New York City hospitals are syphilitic, a recommendation from the public health committee of the New York City Academy of Medicine, calling for a Wassermann test in all maternity cases, preferably before admission, that is, during prenatal care."

Syphilis and gonorrhea are two important diseases that influence the life of the child and the public should see that all measures designed to protect the child should be instituted.

Diet of Expectant Mother  
Q. What is the best diet for an expectant mother? A. Plenty of nutritious food—vegetables, especially green vegetables, fruit, milk, bran or graham bread, little meat.

Q. What foods should be used sparingly? A. Meats and rich foods.

Q. Should one drink tea and coffee? A. Sparingly. Plenty of water, milk and nutritious food are much more valuable.

Q. What hot drinks are good? A. Good, instant postum, malted milk, hot water with or without cream and sugar.

Q. If certain food causes distress what should one do? A. Avoid eating it in the future.

Q. About how much water should one drink? A. One or two quarts daily.

Q. What food will aid in combating constipation? A. The following list of foods are laxative in their action and will be helpful in overcoming the constipation so often associated with pregnancy.

(1) All forms of sugar, especially fruit sugar, honey, syrup and milk all concentrated fruit juices, sweet fruits such as figs, raisins, prunes, fruit jellies, etc.

(2) All soft fruits and fruit acids, apples, grapes, gooseberries, raspberries, currants, plums and tomatoes.

(3) Fruit juices, especially from sour fruits—orange juice, lemonade, fruit soup, etc.

(4) All foods high in fat—butter, cream, eggs, egg-nog, ripe cheese, olive oil, nuts, especially peanuts, Brazil nuts and pine nuts.

(5) Bacteriemia and kourms.

(6) All food rich in cellulose—whole wheat, asparagus, cauliflower, spinach, sweet potatoes, green corn and popcorn, graham flour, oatmeal, whole wheat bread, bran, bran bread, blackberry, cherries, cranberries, melons, oranges, peaches, pineapple, plums, whortleberries, raw cabbage, celery, green lettuce, onions, parsnips, turnips, lima beans and cornmeal. White bread should be tabooed and in its place bran bread should be used.

Q. Should one eat between meals? A. No. The woman who habitually eats between meals is the starved, constipated individual who needs to acquire self-control and learn self-mastery.

Q. What should one do if very hungry between meals and the diet is not good? A. A glass of orangeade will sometimes satisfy this unnatural craving. These unusual feelings should be controlled or ignored. Save your appetite for meal time for a good appetite means good digestion.

## SEES BETTER PRICES FOR CATTLE AND HOGS

URBANA, (AP)—Better prices for well finished beef cattle and hogs are in prospect, and the outlook is brighter than it has been for many months, in the opinion of H. P. Rusk, head of the animal husbandry department of the college of agriculture, University of Illinois.

"Not only are there indications that the supply of fat hogs and porkers will be short, but also there is no reason to believe that there will be a slump in the good demand which has been made for these products during the past year," he continued.

"Surplus swine of the country already have been marketed and the offerings of porkers at the large central markets are back on a normal basis. This is reflected in the strong advances in swine values during recent months."

In addition there has been a reduction of about 20 percent in the hog population. However, this reduction in numbers does not indicate the full extent of the slump in available pork. There not only has been a large reduction in the number of swine, but the condition of the remaining animals, both as to health and weight, is far below normal. The corn-pork ratio has not encouraged liberal feeding and swine have been neglected in many other ways.

Probably most cattle feeders will be cautious about putting in a large supply of feeder animals this fall, according to Rusk. The demand for feeder cattle is likely to be rather slow, unless there is a large amount of soft corn due to early frosts, making it impossible to market a large percentage of the crop except thru livestock, he explained.

"If fewer cattle go into feed lots this fall than normally, the price of good finished bullocks should work materially higher as the season advances."

Feeders who have definitely made up their minds to feed cattle this fall and who are prepared to do so probably will not profit by long delaying the buying of their cattle, in Rusk's opinion.

### PLAN "DAD'S DAY" AT WOMAN'S COLLEGE

The Sophomore class of the Illinois Woman's college have started plans for a Dad's Day, which they expect to hold either during the final days of basketball or during the hockey tournament. This is the first time the idea of a "Dad's Day" has been introduced at the college, and it met with instant approval by the student body.

### FORMER I. C. STUDENT LEAVES FOR EAST

Ralph Sides, a Junior at Illinois college, will leave Jacksonville tonight for Pittsburgh, Pa., where he expects to complete his college work. Mr. Sides came to Illinois college from Versailles, Ky., where he has taken an active part in all student activities on the hill, where he has earned a friendly popularity. He was a member of the baseball nine and the basketball team during his Sophomore year.

## CELEBRATE OPENING OF DIXIE HIGHWAY

Chicago, (AP)—The official opening of the Dixie Highway Route A from Chicago to Florida through A-bville or Chattanooga will be the occasion of a celebration at Lexington, Kentucky, under the auspices of a number of Kiwanis clubs of Kentucky and Tennessee, November 15, according to Charles O'Connor of Asheville, N.C., chairman in charge of construction.

The construction of the important connecting stretches of road through hitherto impassable mountain regions of the south is among the largest pieces of cooperative highway construction and financing in the history of road building.

The funds for construction in these counties which could not finance the road were raised by Kiwanis clubs in Kentucky, Tennessee, and North Carolina; by a gasoline tax agreed to by the owners of gasoline stations all along the highway, and by contributions from various civic and motor associations.

By having members of those organizations contribute their own labor and securing other help at half the usual wage rate the cost per mile for construction through this mountainous country was almost half of the regular cost of the same kind of construction to the states.

This highway cuts through the Mason-Dixon line, and enables motorists to save almost 1000 miles of travel from Chicago to Florida. It will take travelers through a picturesque and historic part of the United States little known to the majority of motorists.

### COLLEGE OF MUSIC ARTIST SERIES

The artist series which is scheduled to be given this year at the College of Music, includes four splendid numbers, of which Leo Ornstein, pianist, will appear first in a concert on November 17. The second concert will be given by an artist already familiar to Jacksonville music lovers, Raymond Koch, baritone, who presented a program before local audiences last May. Mr. Koch, a man of most genial personality and a finely trained artist, will appear on Dec. 8th.

Another prominent artist who comes with a splendid reputation is Lois Johnston, soprano, an experienced musician who will sing in this city on January 19th. Willy Burmaster, called the "Raymond of Violins," will close the artist series on February 22. He is noted as an amazing player, and also as an unusual composer. He has contributed more than a hundred pieces for the violin.

### GUESTS IN CITY

Mr. and Mrs. C. F. Scott and family of Rhodhouse will spend Sunday in Jacksonville with their daughter, Miss Helen Scott, 819 West College avenue.

## TEACHERS IN PUBLIC SCHOOLS LAST YEAR EARNED \$60,000,000

41,623 Teachers Employed  
to Handle Public  
Instruction.

SPRINGFIELD, Ill.—Public school teachers in Illinois earned \$60,226,162.57 in 1923, according to the annual statistical report of Francis G. Blair, superintendent. The report shows that 41,623 teachers were employed last year to handle public instruction in the state. Of this number only 7,342 were men. Women filled 34,281 teaching positions.

Only 2,177 teachers were graduates of college and normal schools, but 5,775 had completed college alone and 10,002 normal alone. Graduates of four year high schools filled 11,139 positions and only 609 teachers had ended their schooling at the eighth grade.

Men teachers earned \$11,681,752.23 during the year while women received \$48,544,410.24. Men's salaries averaged \$1,509.86, women's \$1,416.11. The total average was \$1,416.94.

Statistics show that 4,328 teachers had been employed in the same district for 20 years or more and that the total teaching experience for the state was 39,314 years. One hundred and twelve veterans of the schools in the state have been teaching for 40 years or more, while 4,756 teachers were teaching for the first time.

These figures do not include the 972 private schools of the state which employ 5,773 teachers and have an enrollment of 1,08,802. Public schools maintained 11,561 libraries, stocked with 2,059,470 books last year. Certificates were issued to 34,115 during the year while only 159 vacancies were caused by death, resignations and changes in terms.

Statistics show that 2,284 teachers were employed in special work, 157 teaching music, 207 drawing, 453 domestic science, 332 manual training, 216 physical training, 167 agriculture and 45 supervising primary work.

Of all the pupils that came under teachers care only 173 girls and 214 boys could neither read, nor write, were reported.

### NO CITY CHOSEN FOR NEXT POSTAL PARLEY

Stockholm, (AP)—The World's Postal Convention, which met here recently, adjourned without selecting a place for the next convention. One group, headed by the English, urged that London be chosen.

Opponents with the same vigor pleaded for Buenos Aires. They argued that with the exception of one convention held in Washington, America, in the 50 years existence of the association never had been taken into consideration when meeting places were selected.

## URGE CLOSE RELATION OF FARM AND CHURCH

URBANA, Oct. 19.—Close relations between the farms and the churches will be sought at two agricultural conferences planned by the College of Agriculture, University of Illinois.

The conferences will be for rural pastors and will be held in different parts of the state in the near future. Dean H. W. Mumford announced.

"The conferences have been designated to promote cooperation between rural pastors and those who are interested in improved living conditions on the farm and in the country home," he continued.

"The first conference will be held at Mt. Vernon, Jefferson county, Monday, October 13, for southern Illinois pastors, and the second at Cranville, Putnam county, Wednesday, October 15, for northern Illinois pastors.

"The conferences will be open to all churches and denominations having rural problems. Farm and home bureau members, rural pastors and their wives will be invited to attend and take part in the discussions."

## MANCHESTER AID IN ALL DAY MEETING

**Conservatory Notes**

Dr. William Kraupner played Thursday morning during assembly at the High School a group of piano solos which were enjoyed and heartily applauded by the student body in attendance, to which he responded with an encore.

At the evening session of the Federation of Women's Clubs at Grace M. E. Church Dr. William Kraupner opened the program of the evening by the following group of piano solos: Rhapsody G minor by Brahms; Refrains on the Water by Debussy; Sonnet by Schumann. The musical program was closed with a group of violin solos by Professor Harve Clemons, who played the following numbers: Indian Lament by Dvornik; Kreutzer; Hills by Cecil Burleigh; Fandango by Kreutzer. The artists were at their best and were received by the large audience with the usual welcome which has met them whenever they have played since coming to Jacksonville.

The first concert of the Illinois College Conservatory Symphony Orchestra will take place in the latter part of November and will present a program of quite ambitious proportions. The orchestra under the baton

## SAY ILLINOIS FACES SHORTAGE OF PASTURE

Urbana, (AP)—Illinois faces a serious pasture shortage this year according to W. J. Fraser, dairy farming specialist at the college of Agriculture.

Despite an abundance of fall rains dairymen will be forced to start their regular fall barn feeding much earlier than Mr. Fraser stated.

The lack of pasture is attributed by Mr. Fraser to the failure of many farmers to sow clover in their small grain crops last spring. As a result the available blue grass pastures have been overstocked and fully 90 percent of the blue grass pastures in the northern and central parts of the state have already been eaten to the ground, he said.

"The only way to handle short pastures right is to take the cows off them immediately," Mr. Fraser stated, "and start the regular full barn feeding. This will mean a long expensive winter feeding period, but there is no other way out. The later and closer these pastures are eaten this fall the later and slower they will be starting in the spring."

The ladies of Westminster Church will hold a rummage sale, Thursday, Oct. 23 at 9 o'clock at Andre & Andre wareroom on East Court street.

## ATTEND HOMECOMING

Among the Jacksonville people who attended the homecoming game at Champaign yesterday were Mr. and Mrs. Thomas Hopper, Miss Margaret Fay Hopper, Miss Helen Kirby and Miss Della Thompson.

Miss Twilla Belle of Mt. Sterling made a business trip to the city yesterday.

Miss Nellie Vedder of White Hall was among the out of town visitors in Jacksonville Saturday.

Mrs. Albert Deutcher of Hillview transacted business in Jacksonville yesterday.

### VIRGINIA

Mrs. Mary Crum Thompson and son R. G. Crum left Monday for an extended visit with relatives in Spokane, Washington. They will be present at the wedding of the former's granddaughter, Miss Christine Hubbard, which will occur at an early date.

Among the capitol city visitors Saturday were Mrs. E. Dunham, Mr. and Mrs. J. E. Treadway, Mr. and Mrs. C. R. Wilson, Mr. Ed Caldwell, Mr. and Mrs. O. L. Holt and family, Mr. Luther Paschal, Misses Mabel Paschal, Nellie Irvine, Mr. and Mrs. Perry Fisher, Mr. and Mrs. Ira Boyd and family.

Mrs. John Pendleton and Mrs. A. W. Morse and son of Chandlerville spent Tuesday with relatives in this city.

Mr. Frank Bristow returned from Chicago where he attended the Grand Lodge of the Masonic order.

Burton Gridley was summoned to Long Branch, Cal., by the serious illness of his father, Hon. J. N. Gridley, formerly of this city.

George Armstrong of Chandlerville and Mrs. Dora Ivey of this city were married in Springfield Saturday. They will reside in Chandlerville.

Notices have been mailed out by the state department of Public Works for bids for 4.28 miles of hard road in Casco county, contract to let Nov. 28th. This mileage has been known as the "missing link" from Shiloh church to this city.

Mrs. Cora Bingham and Mrs. Perry Fisher and their mother, Mrs. J. W. Plummer were victims in an auto crash in Beardstown Tuesday evening.

Mrs. Bingham was attempting to pass a car. Failing to notice that the car was just in the act of turning. All were bruised and scratched. Mrs. Fisher was thrown thru the windshield and was severely cut.

A musical program by the faculty of the Illinois College Conservatory of Music will be given November 12 at the M. E. church in this city under the auspices of the senior class of the Virginia High School.

Glenn Birnbaum has purchased the Garman Meat Market on the East side of the square. Both shops are now conducted by Mr. Birnbaum.

Dates of political meetings by the Republican central committee are set as follows:

Oct. 16.—Monroe school house.  
Oct. 17.—Indian Creek school house.  
Oct. 20.—Arenzville town hall.  
Oct. 22.—Gem Theatre, Beardstown.  
Oct. 21.—Little Indian.  
Oct. 23.—Bluff Springs, M. W. A. hall.

## WAGE CAMPAIGN

**AGAINST FIELD MICE**  
Murphyboro, (AP) — Active steps for the eradication of field mice, which have been causing extensive damage to orchards and young trees, have been outlined

by C. J. Thomas, Jackson county farm adviser. A demonstration of the methods of eradication was conducted at Makedonia under the supervision of United States Department of Agriculture officials.

Extensive losses have been reported during the past two years in Union and Jackson counties. One orchard suffered the loss of 200 trees and another 30. There are two varieties of field mice which are apt to damage orchard trees, Mr. Thomas said. The removal of trash from the base of the trees will prevent the ravages of the harvest mouse. Such action has no effect, however, on the smaller piney mouse. The county farm bureau has prepared instructions for dealing with the piney mouse, which it is distributing to owners of orchards.

Scott Executive S. E. Albrecht took a part of a commissioned scout officers to the Kiwanis camp for an outing yesterday, when he conducted a training class in special work and duties of the non-commissioned officers. Included with their training class, the boys enjoyed the days outing and a substantial dinner.

## MORTGAGES AS INVESTMENTS

Roger W. Babson Discusses The Ethical Factor In Mortgage Values

Babson Park, Mass., Oct. 17.—Roger W. Babson today pointed out an opportunity for investors that is not only safe and profitable but renders a distinct local service as well.

"Bank accounts are the safest of all investments. Most bonds are good and many stocks are profitable investments," says Mr. Babson. "People should remember, however, that there are other forms of investment that are also good and in some cases, preferable. The local real estate mortgage should not be forgotten. This is especially true in these days when the field furthest away looks the greenest to most people. The real estate mortgage, under certain circumstances, has additional advantages in the matter of return, margin of safety and the effect of the investment on local business conditions.

"Just now when call loans are being made in New York at from 2 percent to 3 percent and commercial paper is selling in all our large cities at around 3 1/2 percent, good mortgages are still yielding 6 percent or better. I say 'or better' because in certain sections of the South and West, absolutely safe mortgages can be secured to yield 7 percent, and even 8 percent. The Farm Loan and Joint Stock Banks have enhanced the farm mortgage situation somewhat but good loans at 6 percent are still available on small houses in the cities and in the country. These houses which are occupied by the owner are usually first class security.

"The banking houses on mortgages are a very important factor in the transaction which is often overlooked. For the part of a better name we call it the 'ethical factor'. The value of any mortgage depends not only upon the real property behind it but also to a large extent upon the character of the borrower. I do not know where you will find a better security for your money than that offered by a young man of Christian character who is borrowing to build his own home provided that such a loan

is protected by a life insurance policy on the borrower.

"A private investor has a distinct advantage over the bank in this matter. The bank must loan more or less mechanically—say 65 percent of the valuation—irrespective of the character of the borrower. Sometimes a bank will loan to a man who has no back integrity and as often the bank loses a chance of loaning to an honest individual because of this arbitrary 65 percent limit. The banks often fool themselves by thinking that a house is a house wherever the owner. They forget it is not the number of people in a city which makes value but the character of the people in that city which makes value. An uneducated citizen moving into a locality actually lowers the value of the adjacent real estate. Generally a man of good character coming into a neighborhood tends to increase that value.

"When the combination of a desirable property and borrower of good character is found a good investment opportunity exists. Under such circumstances, I recommend a loan of money for the building of a home or for a store that is to be used by the borrower. I never advise loaning a young man an old man, or any other kind of a man money with which to speculate, or money to invest in a business which he does not control.

"In buying local mortgages," concluded Mr. Babson, "you also perform an additional service to your community. The money stays in your own city instead of going to New York or some other financial center, which is usually the case when stocks and bonds are purchased. Moreover, every new house that is built in your community by a man of character adds value to every other house. In helping such a man you are helping yourself and all the rest of your neighbors. I know of no other way of improving business, for the long swing than by encouraging and helping the young men of vision and character to get started. Along the business of the country, as shown on the Babson chart is now 5 percent below normal, this does not apply to every city. Some localities are doing better than normal business because their citizens are maintaining high standards in their commercial community.

"I believe that as a matter of good business and of public service every investor should invest a part of his money at home where it will encourage the right type of citizens in his community."

## College of Music Notes

The faculty have been requested by the principal and students of the Junior High school to give a series of informal recitals at the Thursday assemblies of the school. The series will begin with Miss Borsburgh, violinist, accompanied by Miss Sapio.

A delightful piano was enjoyed by the academic and music faculty on Wednesday evening at Nichols park. Dr. and Mrs. Barker were present to share in the general good time.

Plans are now being discussed for the awards which will be made in the children's departments. The result of the discussion will be announced to the children in the near future.

Informal recitals in the children's classes will commence in November and will be held every month, when possible.

The informal Thursday afternoon recitals for college students will begin early in November and take place twice a month.

Miss Borsburgh will give a group of violin solos at the meeting of the D. A. R. on Oct. 28.

Mrs. Monodoff was soloist at the Federation of Women's Clubs at the meeting at Grace church on Thursday evening. Miss Sapio was at the piano.

## DIVIDENDS

Are promises to pay a share of profits if earned. Losses pay no dividends. Buying Equitable 7% Bonds is an INVESTMENT of a certain fixed return on your money. Buying stocks is a speculation. Your money may earn money and you may face an assessment. Be prudent, buy the unquestioned security. Equitable 7% safest and best. C. S. SMITH & FRED B. SIX

## WAS A GOOD

JUDGE OF LIQUOR

"Since a young man I had a liking for liquor and was considered a pretty good judge of it at one time, but constant drinking gave me stomach trouble which became chronic. My stomach would have been a valuable addition to a gas factory. Doctors did not seem to relieve me. One day my druggist got me to try Mayr's Wonderful Remedy, and I am now as good as new. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists. (Adv.)

## LITERBERRY CHILDREN ENJOY WEINER ROAST

Literberry, Oct. 18.—Wednesday night, Thelma and Irene Hagan invited the children to have a weiner roast and weiner roast at the Hagan home. After the refreshments there were all kinds of childish games and songs and a merry time for all. The children present were: Eugene and Allen Young, Freda May Daniels, Marian, Eleanor, John, Cecil, Caroline and Everett Crum, Laura and Eunice Buchanan, Blanche and Claudine Ratliff, Harold and Irene Daniels, Eleanor May Litter, Anna May and Harold Stier, Marshall and Wilbur Chapman, Elnora, Beulah and Marion Richardson, Billy Gene Underbrink, Beulah and Raymond Larr, June and Loyce Alroyd, Gerald Deane Underbrink, Alice, Charles and John Decker, Irene and Thelma Hagan, Mrs. Carlisle Crum and Mrs. Stier were chaperones. The children are planning to have these entertainments once a week.

## Caution!

We caution you NOW is the time to get ready for winter. After a long summer's grind the motors must be set up for winter service. Neglect of this will cause complete destruction by next summer. The winter months are the hardest on old motors on account of poor oil and crank case dilution.

If you neglect to have your cylinders ground making them round and true, you overlook the first and most important step to make your old car like new.

made a business trip to Ashland  
Thursday afternoon.

Miss Lois Wyatt attended a  
Bridge party given by Mrs. Floyd  
Fry of Jacksonville Wednesday  
afternoon and also attended a  
Bridge party Thursday afternoon  
at the home of Mrs. Elmer Sud-  
brink in Virginia.

### Illinois College Notes

Dr. P. F. Whistle, former head of  
the mathematics department in Illi-  
nois college, visited the college Fri-  
day morning and spoke to the stu-  
dents and faculty at the chapel hour.  
Dr. Whistle is now living in Wash-  
ington. He and Mrs. Whistle while  
in Jacksonville are the guests of  
Mrs. Whistle's sister, Miss Meek, of  
the High school faculty.

Because of the large enrollment in  
physiology it has become necessary  
this week to organize a third sec-  
tion in that course. There are about  
ninety students enrolled in the three  
sections.

Dr. C. H. Rammelkamp, president  
of Illinois college, has been ap-  
pointed chairman of the program  
committee of the Federated Church  
Clubs of Jacksonville.

The Conservatory faculty will give  
a reception for the students of the  
Conservatory some time in the near  
future. Nov. 21 has been set as a ten-  
tative date.

Dr. Bussey plans to give a reception  
for the seniors soon.  
The Feast of the Triangle will be  
held Nov. 1.

The women of the college are  
planning for a house warming soon  
to feature the formal opening of the  
woman's building.

At the chapel hour Monday morn-  
ing the Kentucky Jubilee Singers  
sang.

Miss Carmichael of the department  
of languages was among the Univer-  
sity of Illinois alumni attending the  
Homecoming game Saturday.

Coach W. T. Harmon attended the  
Illinois-Michigan game at Champaign  
Saturday.

The second home football game of  
the season Friday marked the first  
football fans' parade of the term.  
The student body was led in the pa-  
rade down town by the college band  
which also furnished music for the  
game.

Dr. A. E. Prince of Spring-  
field, Illinois, will see his  
eye, ear, nose and throat  
patients in Jacksonville the  
1st Thursday of each month  
at the Dunlap Hotel.

### FARM BUREAU NEWS

The college class of the Central  
Christian church Sunday school is  
planning a Halloween social.

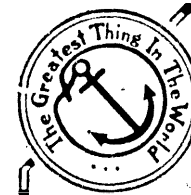

Dr. R. C. Culley, representative of  
the General Educational Board of  
the Presbyterian Church, visited the  
college Friday.

At the football game Friday the  
Jacksonville Rotarians, were the  
guests of the College Athletic asso-  
ciation. The freshmen riders also  
occupied a reserved section of the  
bleachers.

At the Student association meet-  
ing this week it was voted that a  
committee of five be selected to ar-  
range the details of the Sophomore-  
Freshman class scrap. The plan ap-  
proved was to select a committee of  
five, composed of one Freshman, one  
Sophomore, one Junior, one Senior  
and Coach Harmon. The class repre-  
sentatives will be selected at the  
class meetings Tuesday morning.

On Wednesday morning Prof. Gar-  
net Hodge of the College Conserva-  
tory conducted the second college  
sing held this year.

In the consolation tennis tourna-  
ment to be played among the men  
in the men's tennis tournament the  
contestants have been paired as fol-  
lows: Lucy vs. Thurman, Young  
vs. O. Smith, Ames vs. William  
Wood, Nicol vs. Wilson, Hiebeck vs.  
Schneider and Lyman vs. Rammell-  
kamp.

Incomparable Rims  
and Starter \$85 extra

Coupe - - - \$525

Tudor Sedan - - - 590

Fordor Sedan - 685

All prices f. o. b. Detroit

You can buy any model by making  
a small down-payment and arrang-  
ing easy terms for the balance. Or  
you can buy on the Ford Weekly  
Purchase Plan. The Ford dealer in  
your neighborhood will gladly  
explain both plans in detail.

The Ford car delivers more useful, care-free,  
economical service per dollar invested than  
any other car. Its sturdy, rigid construction  
is striking evidence of enduring materials.  
Every minute operation is scientifically tested  
and accurately checked.

Control of natural resources and complete  
manufacture in large volume have made pos-  
sible value that is the one standard by which  
every motor car must necessarily be judged.

The Ford car is the logical and necessary  
choice of the buyer who wants to get  
the utmost from every motoring dollar.

**Y. M. C. A. SHOWS  
REMARKABLE RECORD**

Data available on 1,693 Young Men's Christian associations in the United States and Canada, reporting for the 1924 Year Book and Official Roster, just issued.

**PANCAKE SUPPER 25c**  
Liberty Hall Wednesday,  
Oct. 22, 5:30 till 7:30 p. m.  
Followed by entertainment.  
Everybody welcome.

shows the past association year to take rank with, and in several important directions to exceed the record year of 1923. George B. Hodge, who has directed the collection and classification of association information for many years, states that "the reported volume and quality of association work as a whole has been the largest and best in association history and much larger than was anticipated."

The largest annual increase in membership yet recorded is shown in a gain of 9.5 percent. The total membership of the reporting associations is 988,522 of which 244,529 are boys.

The rapidly increasing interest in organized out-door activities is indicated by the total of 30,932 men and boys who spent two weeks or more in Y. M. C. A. camps. This is an increase of nearly 16 percent. If there were added to this the men and boys in camps in countries abroad where the service is under the American Y. M. C. A. leadership, the total would be largely increased.

Marked increase in the number of men and boys affiliated with Y. M. C. A. Bible classes is reported.

**PUBLIC SALE**

Pair mules, 10 head cattle, brood sows and other hogs, 12 sheep, big line of implements, Friday, Oct. 24, 11 a. m., one-fourth mile east of Woodson.

C. C. SELF & SON.

A total of 232,943 for the years is a gain of 24,000 or 11.5 percent. Aggregate attendance at Bible and religious meetings reached approximately 9,549,000, an increase of 11.6 percent.

Endowment funds increased by 8.3 percent to \$17,308,000, while the property debt increased by only 5.6 percent. An increase of net association property to \$150,521,000—8.1 percent in the year—indicates the volume of property additions and is believed to mark the end of the deflation period of 1922-23.

In a foreword Dr. John R. Mott, general secretary of the International committee, Y. M. C. A., states that at the present time the building bureau of the committee is retained on some 75 building projects, and points to the multiplication of branch buildings both in large and middle-sized cities and the evolving of building plans and projects for cities or isolated communities of under 15,000 inhabitants. The financial service bureau of the committee, he says, further reports campaigns for funds for new buildings and for clearing off building indebtedness aggregating \$14,000,000. "It is a striking fact," Dr. Mott adds, "that in spite of all criticism and other handicaps, the associations today are raising sums which before the war would have seemed absolutely impossible." The latest "impossibility" is \$3,000,000 subscribed by St. Louis citizens of all ranks and creeds for a city-wide Y. M. C. A. development program.

**TELEPHONE SERVICE  
IS COMPARED WITH  
AUTOS ON HIGHWAY**

Amount of Equipment to Handle Traffic Must be Considered.

SPRINGFIELD, Ill. — Human voices being carried over a telephone wire apparently have little likeness to automobiles traveling over a highway, and yet they present the same problem, the telephone engineer says. Highway traffic presents to the highway expert, according to Jay G. Mitchell, secretary-treasurer of the Illinois Independent Telephone association. The biggest problem of any telephone system, large or small, is the handling of the traffic, said Mr. Mitchell.

"Traffic might be defined as the total volume of conversations being carried on at a given moment on that moment. Those conversations run in a constant stream, varying of course in intensity during the different parts of the day."

"In order to insure service to patrons," a telephone engineer must determine the amount of equipment necessary to handle the "traffic" during the heaviest period and at the same time he must be careful not to make excessive investment by providing unnecessary equipment. Every city has certain characteristic fluctuations in traffic.

"As a general rule, the traffic gradually increases from almost nothing in the early morning, to the heaviest period of the day about the middle of the forenoon. It then usually decreases, during the noon hour, picks up for awhile in the afternoon, becomes lighter around the dinner hour, increases slightly in the early evening and then drops to almost nothing until the next morning. A line representing the fluctuations of telephone traffic would resemble a series of mountain peaks and valleys."

"To determine the amount of equipment necessary to handle all of the calls efficiently at the heaviest period of the day, the telephone expert finds out first the total number of calls that come through in an hour, during that period. These are obtained by electrical, or hand, counters. The average length of a call must then be estimated by timing thousands of calls and striking an average. With these two facts the expert can figure out by the mathematical law of probabilities just how many plugs and cords will be necessary to handle the traffic during the instant when it is the heaviest."

"Communities have their own peculiarities in regard to telephone habits, but in most places the average length of call is about three minutes or less. Most people do not realize how many telephone calls go through an exchange every 24 hours. In cities like Chicago and New York the number of calls every day runs up into the millions, while in cities of 50,000 to 100,000 population, the number of telephone calls per day will probably be between 100,000 and 200,000. In Springfield there are an average of 120,000 calls every day in the year."

"Cities in which business interests predominate, as a rule handle briefer calls than cities in which there are many residents, but little interest in business. Thus in the residential suburbs of a city like Chicago the calls are apt to be longer than the average for the city itself."

**EUREKA COLLEGE PLAYS**

**"BARNYARD GOLF"**  
EUREKA, Oct. — Eureka college is ready to challenge one or all the "Little Nineteen" colleges of Illinois for the horseshoe pitching championship of the state. Pitching horseshoes has taken an important place among the minor sports of Eureka college and students and faculty members indulge in the pastime every day. One professor boasts that he has yet to lose a game.

As far as is known Eureka college is the first of the "Little Nineteen" to take an active interest in horseshoes.

**MURPHYSBORO MAN  
SAVES BABY'S LIFE**

MURPHYSBORO, Ill. — Murphysboro division officials of the Mobile & Ohio railroad announce that they will call the attention of the Carnegie Hero Commission to the heroism of Bryan Robinson of Sparta in the hope that he will be awarded a medal for gallantry in saving the life of the two-year-old child of Mr. and Mrs. Everett Reid of Sparta.

Driving near the railroad tracks in his automobile, Robinson saw the baby toddle onto the track, between the rails, as passenger train No. 7 approached. Leaping from his moving auto to the track Robinson tossed the child to safety and jumped out of the way as the pilot of the engine passed.

**THE DIFFERENCE**

Equitable pays interest to their clients, October, (Just one month) \$18,025.00 had this been 3% instead of Equitable 7% it would have been \$7725.00 or \$10,300.00 less than we paid. Had it been 4 1/4% it would have been \$10,943.75 or \$8081.25 less than we paid. The above figures should cause you to exchange your 3% and 4 1/4% holdings for Equitable 7% Equitable 7% bonds safest and best.

**70,000 VETS GRAVES  
IN STATE LOCATED**

SPRINGFIELD, Ill. — Approximately 70,000 graves of veterans of all wars, from the Revolutionary war to the World war, have been located and many have been marked with the government markers, according to Adjutant-General Black, under whose direction the work is being done.

A list of all of the graves located to date is now being compiled by Gen. John J. Garrity of Chicago, past department commander of the department of Illinois United Spanish War Veterans, who is in active charge of the work. The list will include the graves of veterans of the Revolutionary war, the War of 1812, the Mexican war, the Blackhawk war, the Civil war, the various engagements in the Pacific and in the possessions of the United States and the World war. Several thousand graves of Confederate veterans are included in the list.

"So far as we know, Illinois is the only state in the United States that is performing such an extensive work in perpetuating the memories of its heroes, in this manner," General Black said. "The work of compiling the records was begun by the Grand

Army of the Republic in its different posts. The late Capt. E. R. Lewis, of John A. Logan post of the Grand Army, later took over the task of consolidating the records prepared by the various posts, and at the time of his death in 1922 had collected data on approximately 60,000 burial places of soldiers, sailors and marines."

By an extensive campaign of correspondence with veterans organizations and historical societies, Gen. Garrity added approximately 10,000 names last year, bringing the total to 70,000. In addition to locating the graves, Gen. Garrity has prepared thousands of regulations of the Quartermaster General of the United States Army for free government headstones, and transported and erected these headstones on unmarked, or poorly marked graves of forgotten heroes.

**GERMAN GIVES ORIGIN  
OF BOBBED HAIR**

**AMATEURS IN SPAIN**  
The Spanish government's decision to permit amateurs the use of wavelengths below 150 meters, covering up to 100 watts has resulted in increased interest in this science there. At present there are about 100 amateur transmitters in that country.

**RADIO STORM WARNING**  
Approach of a storm like a lightning bolt to the electric light company. A special radio receiver is being used for the reception of weather reports. The station has been set up for the reception of weather reports. The station has been set up for the reception of weather reports.

**BEDTIME TALE TOLD FROM SEA BOTTOM**

By NEA Service  
ATLANTIC CITY, N. J.—Fifty feet below the surface of the sea, off the steel pier here, Uncle Wip, bedtime storyteller of broadcasting station WIP, broadcast his story recently to his young listeners.

It was the first time that a bedtime story had been told from the bottom of the sea, and the second time that any kind of radio program had been broadcast in this way.

Station WIP of Philadelphia has been the pioneer on both occasions. The first time, last July, a diver took a microphone down with him and described the sea bottom to the radio fans.

Now Uncle Wip, who in civilian life is Chris Graham, got into a diver's suit, descended to the bottom, and started his program to the young radio fans for half an hour.

Besides telling the children his regular bedtime story, he sang several songs and read the list of his "Gold Star Children."

The gold star children are members of Uncle Wip's Kiddie Klub who have had six consecutive school reports with excellent grades. Each will receive a little gold pin, shaped like a diver's helmet, as a reward.

As Uncle Wip sang through the microphone, he listened to the piano accompaniment that was played on the pier above and directed to him through wires and headphones. The microphone he held with him was connected by waterproof cable to the pier above and by long distance telephone lines to the broadcasting studio at Philadelphia.

**EGYPT FAR BEHIND**

Radio enthusiasts in Egypt are having difficulty enticing the government into permitting them to broadcast and use receivers. At present a few amateurs are able to receive broadcasts from London, Paris and Rome late at night.

**ECHOES FROM THE STREET**

That new Buick line is a wonder; The Buick people have a great line this year; That is that new Buick—"AINT SHE A DANDY."

That Buick line has 32 different models this year. There goes that new Buick. It has Duo Paint, Four Wheel Brakes, Balloon Tires and everything.

There goes another one of those new Buick cars. Say, they are selling a lot of those things. There goes the nicest car on the market—that new Standard Six is a wonder. It has ball bearing steering device, new oiling system and everything.

MY NEXT CAR IS GOING TO BE A BUICK.

**THIS IS A STUDEBAKER YEAR**

**Two Cars in One—**  
*An open and closed car combined*

**STUDEBAKER Duplex**—a closed and open car combined. An entirely new-type car—developed by Studebaker and available from no other maker.

It is the most sensational—most talked-of car in America.

One minute you are enjoying the comfort and protection of a closed car—next the unhindered freedom that made the open car so popular. And the change can be made in 30 seconds by simply lowering the roller side enclosures.

Yet with all this two-fold convenience, the Duplex-Phaeton sells for no more than an open car.

The new Studebaker Big Six is strikingly beautiful—with long, low sweeping lines. It is especially designed and powered for seven-passenger service.

The Big Six Duplex-Phaeton is delivered to you with complete equipment. This even includes two highest grade bumpers, extra balloon tire, tube and tire cover—there is nothing else to buy.

But to appreciate this car you must inspect it—drive it. Test its delightful ease of operation—steering mechanism especially designed for its full-sized balloon tires.

Notice the new location of the lighting switch on the steering wheel—and many other new and unusual features.

See this car that has definitely solved the open-closed car problem.

**This Cleaner**  
*The Incomparable*  
**Electric SWEEPER-VAC**  
*With Motor Driven Brush*  
**Should Be in Every Home**  
*Two Cleaners in One*  
*At the Price of Only One*

The beauty of the new, improved Sweeper-Vac gives mute testimony as to its high efficiency and sturdy construction.

It is the only make of vacuum cleaner that gives really powerful suction plus a correctly speeded motor-driven brush, or, when desired, clean by powerful suction alone. It combines the best of both types of vacuum cleaners in one at the price of only one. Because of this combination, the easy sliding, deep cleaning Sweeper-Vac quickly removes every particle of embedded, adhering and surface dirt.

Unlike others, the Sweeper-Vac needs no adjustment for varying grades of rugs. It cleans those that are thin and slippery as well as the thicker napped rugs. Furthermore, it cleans small rugs without wrinkling and dragging them about the floor.

Among its many important features are an air-cooled motor, an unexposed belt; an efficient tilting device; a full length 24-foot electric cord and non-spill easily emptied, dust bag. Its long wheel base prevents it from toppling over when attachments are used and the attachments not only are unusually efficient, but lock together so that they cannot fall apart when in use.

"LONG" OPERATORS  
STIMULATE MARKET

FINANCIAL  
Date 20 Ind. 20 Rail  
Saturday .. 100.94 89.61  
Friday .. 100.06 88.81  
Week ago .. 100.28 88.98  
High 1924 .. 104.13 93.15  
Low 1924 .. 104.13 93.15  
Total sales 445,600 shares.  
Total bond sales 6,512,000.

CHICAGO, Oct. 17.—Stock  
prices swung upward in brisk  
fashion in today's brief session of  
the market as fresh accumulation  
by operators on the long side  
stimulated covering by speculators  
for the decline who had sold  
stocks freely in the early days of  
the week.

Commission houses reported  
that buying was encouraged by  
the more cheerful feeling regard-  
ing the political outlook, lower  
money rates and the improve-  
ment shown in several lines of  
business.

Speculative attention was riv-  
eted on the railroad shares by the  
continuance of high carloadings,  
rumors of dividend resumption  
and increases and reports of  
progress toward the consolidation  
of several roads. Buying of the  
coals was fairly active just be-  
fore the close. Delaware and  
Hudson standing out with a gain  
of more than four points and  
Lackawanna, Erie second prefer-  
red, Reading and Pittsburgh and  
West Virginia closing one to two  
points above Friday's final prices.

American Can again led the piv-  
otal issues by moving up two  
points to 139½. United States  
steel and Baldwin improved frac-  
tionally the former closing above  
167.

Foreign exchange rates held  
fairly steady in quiet trading.

## WAVERLY SCHOOL TO GIVE OPERETTA

"The Gypsy Rover" to be presented by Township High School Nov. 14—Other Waverly News.

Waverly, Oct. 18.—The song department of the Waverly Township high school will present an operetta "The Gypsy Rover" at the Bijou theatre Friday evening Nov. 14.

Mr. and Mrs. P. L. Shaver and Mrs. F. E. Smith of Gibson City spent several days visiting in this home.

Mrs. J. E. Hood returned to her home in St. Louis, concluding a visit of two days with her

brother, Dr. E. K. Blair. Miss Mildred Dennis returned from a visit of several days with relatives in Edwardsville.

Mr. and Mrs. W. H. Rehner have returned from a visit in Kentucky and Ohio. Mr. Rehner is pastor of the Baptist church in Edwardsville.

Mr. and Mrs. J. T. McLean, of Covington, Ky., are visiting at the home of Mr. and Mrs. J. T. McLean.

Mr. Mitchell left Thursday for his home in Colorado Springs, concluding a visit with his

parents, Mr. and Mrs. John Mitchell.

Rev. and Mrs. F. S. Fincher arrived this week. Rev. Fincher is the new pastor of the Congregational church.

Mrs. Elizabeth King returned to her home in Modora, having spent two weeks visiting her sister, Mrs. Anna Richardson.

FARMERS IN HENRY COUNTY STOP HUNTING

GENESEO, Ill., Four townships in Henry county will be closed to hunters this year by the farmers of that region.

At a meeting of the farmers, a resolution calling for action against sportsmen because of "damage done in recent years by city hunters" was introduced, and the organization of an anti-hunting association followed.

Funds have been collected to prosecute all persons found hunting in the limits of the four townships.

The various sections in swimming on Wednesdays and Fridays have been filled and the classes that meet on Tuesday and Thursday are nearly full.

President Barker left early Saturday morning for Chicago, where he will attend a meeting of the Chicago society. From there he will go to New York City and places in that vicinity in the interest of the college. While in New York City he will meet the L. W. C. society.

An interesting letter was received recently from Miss Sarita Jones, who with Miss Elva Becker are on their way to Santiago, Chile, South America. Miss Jones' letter was mailed just before they got to the canal and told of their celebration of Founders' Day on board the steamer.

The Woman's College students in southern Illinois have organized a society with headquarters at West Frankfort. West Frankfort is now a city of nearly thirty thousand residents and is the prominent place in that section of the state. Several members of the society are teaching school there and in nearby cities.

Word has been received at the college from Eleanor Elliott, daughter of Dad Elliott, well known in Y. M. C. A. work, telling of their interesting trip around the world. The card was mailed from Honolulu and stated they were on their way to China.

Miss Alice Barwise, graduate of the class of '21 is a guest at the college for several days. Miss Barwise, with her mother, Mrs. R. W. Barwise, has just returned from a trip abroad and reports a most enjoyable time. She will take up her duties as Educational Secretary of the Young Woman's Christian Association in St. Louis, the first of November.

Prof. and Mrs. E. J. Townsend, of Urbana were guests at the college Friday. Professor Townsend is head of the department of mathematics at the University of Illinois.

Miss Myra Chiles is spending the week end at the University of Illinois, the guest of her former roommates, Miss Carrie Dyarman. Miss Dyarman is taking a post graduate course at the University.

Misses Ada Foster of Raymond and Twilla Bell of Mt. Sterling are guests of the college over the week end. Miss Foster is teaching Home Economics in the Raymond High school and Miss Bell is teaching English and History in the Mt. Sterling high school and art in the grade schools.

Miss Louise Wilcoxen is spending the week end at the home in Fairview.

Miss Mary Anderson of the department of mathematics has recently received an interesting letter from Miss Laura McLaughlin, who was head of the department of chemistry at the college for a number of years. Miss McLaughlin is now nutrition expert of the Bureau of Home Economics in the Department of Agriculture at Washington, D. C., and is finding her work very interesting. The position is a very important one.

Miss Maude Gwinn of Chicago, and traveling secretary of the Young Woman's Christian Association, visited at the college on Tuesday and Wednesday of this week. While at the college Miss Gwinn had special conferences with Miss Edythe Hall, one of the twenty-one members of the Central Regional Council, and addressed the student body Wednesday evening at seven o'clock. Miss Hall, the local president of the Y. W., will attend a meeting of the Central Regional Council at Indianapolis on November 15. Miss Gwinn left Jacksonville Thursday morning for Lincoln college; she will visit several colleges in the territory during the next week and then expects to attend a student conference at Des Moines.

Mrs. Fred Harney of Waverly was among the out-of-town callers in the city Saturday.

ECHOES FROM THE STREET

That new Buick line is a wonder; The Buick people have a great line this year; That is that new Buick—"AINT SHE A DANDY."

That Buick line has 32 different models this year. There goes that new Buick. It has Duco Paint, Four Wheel Brakes, Balloon Tires and everything.

There goes another one of those new Buick cars. Say, they are selling a lot of those things. There goes the nicest car on the market—that new Standard Six is a wonder. It has ball bearing steering device, new oiling system and everything.

MY NEXT CAR IS GOING TO BE A BUICK.

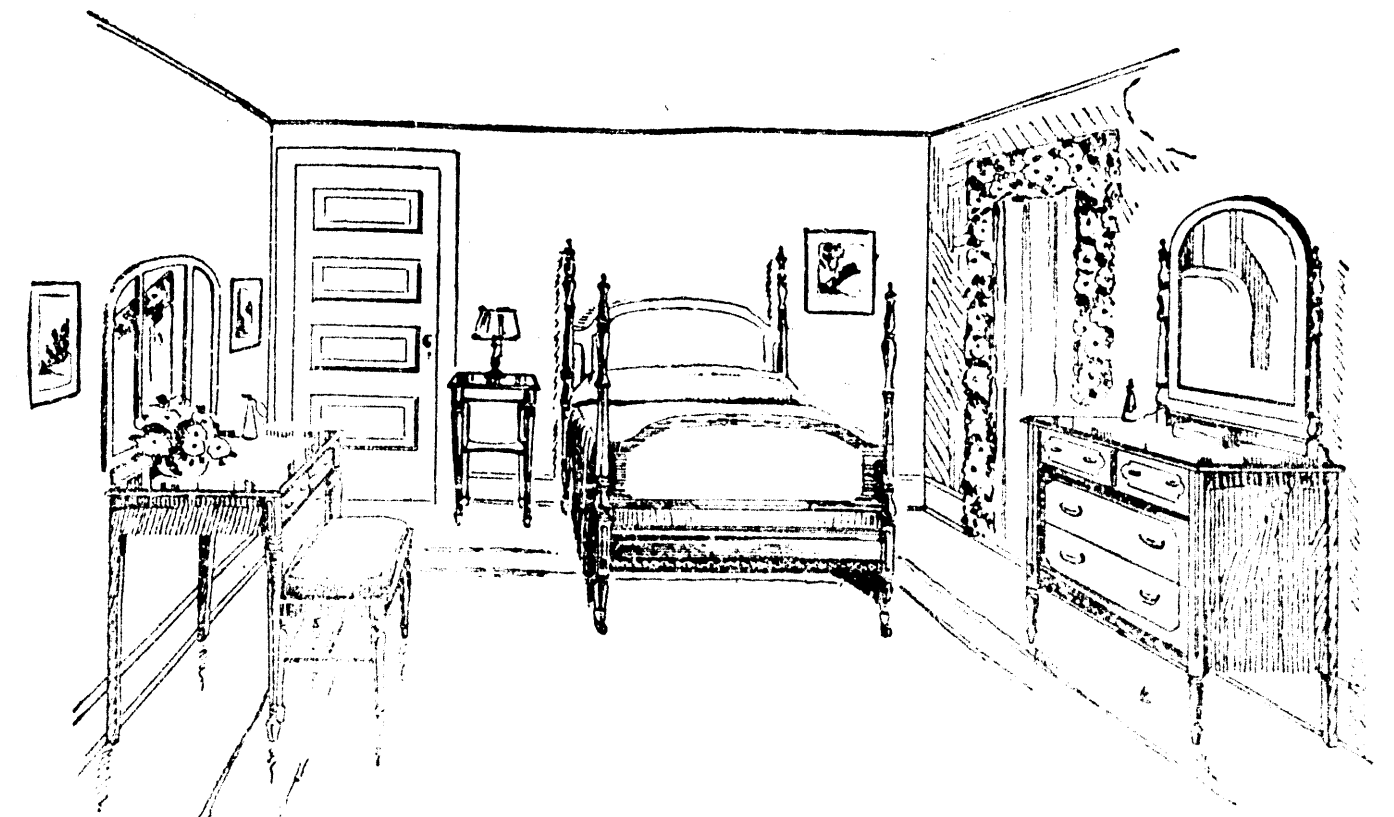

## Woman's College Notes

# HOMES BEAUTIFUL WEEK

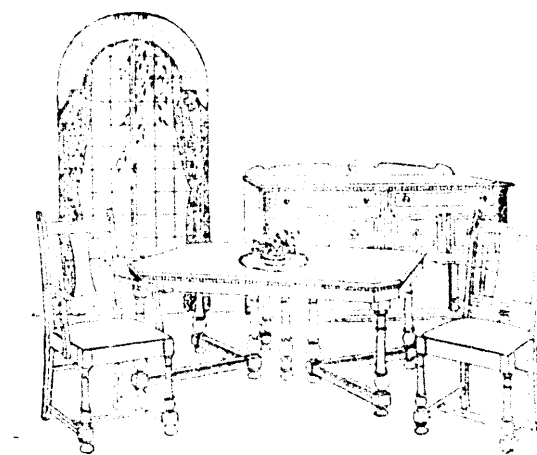

October 20 to October 25

This is the time of year when homes reveal their true personalities. The home that has always been merely a house has its deficiencies, magnified now when its dwellers need it most. The gracious home triumphs, holding forth promise of complete comfort while winds whir out doors.

"HOMES BEAUTIFUL WEEK!" We are firm upholders of this movement and pledge faithfully to do our share toward encouraging more gracious homes. We shall be prepared to offer values of the best during this week—and splendid service always.

Beautiful showing of Bedroom Furniture this week, in full suites or odd pieces. Styles and finishes were never so charming as now. The hand-painted or Mahogany, French Walnut, Chautauqua Walnut, Dark Walnut, all revealing the beautiful grain of the wood. You have only to see this attractive furniture to visualize a beautiful room. SPECIAL FOR WEEK: A 4-Pc.
